

## **ADVENT SEASON**

*Glorious things on high unfold,  
As prophets from of old have foretold.  
A seed from the root of Jesse shall spring,  
And from this seed, a Savior God will bring.*

*The Angel Gabriel to a maiden did appear.  
And said to her, Mary, do not fear.  
A Savior child you soon will bear,  
And to him, then, give good care.*

*Care for him, teach him, tend his needs.  
As he grows, teach him all his creeds.  
Then, as he grows, he 'll make his decision,  
To save mankind will be his Mission.*

*For us living now we know,  
Jesus' love on us he does bestow.  
For us to be disciples, he does call,  
To save mankind, one and all.*
