**Thank you from all the
 brothers in helping to create
 a more just world**

Wishing to create a more hope-filled and just world does not insure it will take place.

Brother Robert Fillmore, C.S.C.
 Provincial Superior

Our faith in the resurrected Jesus is the basis for our conviction that the powers for good will in time defeat the powers of evil. The fact is, good will overtake evil when people come together with a common commitment to do what it takes to create a just world. When people decide they are willing to invest their time, talents and financial resources to make a just world happen, change can and does happen for the good.

Over 185 years thousands of men and women of Holy Cross have invested their time, talent and financial resources to create a more just world. The commitment continues today. History reveals that when a commitment is made to work collaboratively with lay men and women, the Holy Cross mission succeeds. The vibrancy of the mission today is a living testimony to the power of God's grace working with men and women who are committed to working together.

The Donor Honor Roll presented in this issue of *Brothers* reveals the support you and many others have “bought into” the Holy Cross mission. Without your generous response the mission of Holy Cross could not continue. The Brothers thank you!

Over 185 years thousands of men and women of Holy Cross have invested their time, talent and financial resources to create a more just world.

The commitment continues today. History reveals that when a commitment is made to work collaboratively with lay men and women, the Holy Cross mission succeeds. Thank you for your support of the Holy Cross mission to create a more just world.

Remembering Our Deceased Brother in Your Prayers

 In Christ all will come to life again. (1 Cor. 15:22)

Your Support

HELPS US FULFILL OUR MISSION

This issue of *Brothers* represents our third annual public acknowledgement of the generosity of our many benefactors. We extend our deepest gratitude to the 1,489 individuals who have chosen to continue their support of our mission and to our new benefactors since July 1, 2006.

Phase I of Honoring Lives of Faith - Securing the Future's Promise, our \$5 million dollar capital campaign is winding down with over \$4 million in cash and pledges having been

secured. Phase II of the capital campaign has begun with the introduction of *Anchors of Hope Society*, which was established to honor all those who make the Brothers of Holy Cross a part of their legacy through a planned gift. It is hoped that, over the years, the brothers will be blessed by many with an estate gift for the purpose of advancing their mission.

Your response to our newly formatted newsletter and annual appeal has been most

gratifying. The number of contributors receiving our newsletter increased 25% last year with total contributions approaching \$265,000. Likewise, donations to our annual appeal over the past several years have been most generous, exceeding the dollar total of the preceding 5 years.

We are most grateful for your generosity and remember each of you in our daily prayers.
