“And that has made all the difference”

Robert Frost, an American poet, in his poem “The Road Not Taken” writes “Two roads diverged in a woods, and I-I took the one less traveled by, and that has made all the difference.” During our life journey we all make decisions that have put our lives in a certain direction which strongly influences where life takes us. Clearly, this is true of the brothers whose religious profession we celebrate this year. They made a decision sixty, fifty, forty, or twenty-five years ago which was different than most of their peers. For them, and for those they have served, their decision has made all the difference. As you read their biographical sketches you will appreciate the uniqueness of their lives, their gifts and the variety of the ways they have served. I think it is safe to say, they have gone places and done things beyond what they could have imagined.

Brother Robert Fillmore, C.S.C., Provincial Superior, with Andre Place at Holy Cross Village at Notre Dame in the background.

Their examples remind us that that life is a mystery of how God’s grace works in all of our lives. We are called to play a specific role in God’s plan for the world. Our joy in life is dependent on our personal faithfulness to that call. These men represent 850 years of faithful commitment and are living proof that a life of faith and commitment, when lived with integrity, is not only possible, but can also be fulfilling. As we celebrate these men, may their lives inspire each of us in our own faith commitment.

For those of you who personally know one or several of these men, I ask that you reflect on the difference they have made in your lives and give God thanks for their presence. Let us also take delight in celebrating the plan and purpose of our own lives and recommit ourselves to being faithful to our God-given call.

Their examples remind us that that life is a mystery of how God’s grace works in all of our lives. We are called to play a specific role in God’s plan for the world. Our joy in life is dependent on our personal faithfulness to that call.

16 Midwest Province Members Celebrate Jubilees June 20

On June 20 the Brothers of Holy Cross will honor those 16 brothers who are celebrating a jubilee of religious vows. Brothers being honored include a farmer, archivist, founder of Senior Friendship Centers and founder of Holy Cross Village at Notre Dame, maintenance men, artist, teachers, treasurer, academy headmaster, director of spiritual life ministries, seminary staff member, and missionary.

Joining our 16 jubilarians will be Holy Cross Brothers from around the province and world along with relatives and friends of the brothers being honored. The Mass of Thanksgiving will be held in Sacred Heart Basilica on the campus of the University of Notre Dame at 2:00 p.m. EDT. Following the Mass there will be a dinner for invited guests at the North Dining Hall.

60 Year Jubilarians

Brother William Geenen, C.S.C.

Brother William Geenen will be remembered as a past provincial but more than that he will be remembered for founding both the Senior Friendship Centers in Florida and Holy Cross Village at Notre Dame in Indiana. A native of Appleton, Wisconsin, William Geenen was born to William and Rose Geenen on April 28, 1930. He took his first vows as a Brother of Holy Cross on February 2, 1949 at St. Joseph Novitiate, Rolling Prairie, Indiana. He earned his undergraduate degree in education from St. Edward's University, Austin, Texas in 1953, and his master's from Loyola University, Chicago, Illinois, in 1960. He then taught English at St. Edward High School, Lakewood, Ohio for a year, and then from 1952-53 he taught at St. Edward High School in Austin, Texas.

For the next 21 years, from 1953-74, he served as a teacher, twelve years as principal, and finally as director of admissions at Gilmour Academy, Gates Mills, Ohio. While on a visit to see his mother in Sarasota, Florida, he was touched by the problems faced by the senior citizens of the area. His vision brought about the creation of the Senior Friendship Centers in Sarasota, Venice and Naples, Florida.

This past February 11 marked the 35th year the Senior Friendship Centers became a not-for-profit corporation in the State of Florida.

After 21 years in Florida working with seniors he was called back to South Bend, Indiana, to serve as Provincial of the Midwest Province for the next six years until the year 2000. As provincial Brother William faced many of the same problems he had faced with the senior population in Florida. There was an urgent need to be able to provide an aging group of brothers medical care and retirement opportunities – thus was born Holy Cross Village at Notre Dame. Once his term as provincial was finished, Brother William returned to Sarasota, Florida, where he lives and sees the Senior Friendship Centers continue to grow. Brother William's latest venture is "CALL ANDRE," a 24-hour service to persons living alone who may need occasional assistance. The service is staffed by Holy Cross Associates.

Brother Richard Huber, C.S.C.

Richard Huber joined Holy Cross for the opportunity to both work and pray. Richard was born to Mary and Edward Huber in Columbus, Ohio, August 13, 1929. Richard attended St. Mary Grade School and graduated from St. Mary

High School in 1947. Richard entered Holy Cross at Watertown, Wisconsin, September 1, 1947. Brother Richard began his novitiate year at St. Joseph Novitiate in Rolling Prairie, Indiana, and took his first vows on February 2, 1949.

Brother Richard spent the majority of his religious life as a farmer. At the time there was only one United States Brothers' Province and they operated four farms throughout the United States. Brother Richard was a farmer at Silver Lake Farm, Rolling Prairie, Indiana, from 1949-1951, and again from 1960-78. He served at St. Joseph Farm, Granger Indiana, from 1951-1960, 1978-1992, and from 1993-1995. Both farms had many brothers involved in growing hay and corn as well as taking care of cattle and dairy herds.

A serious accident at St. Joseph Farm forced Brother Richard to change his work. From April of 1992 until May of 1993 he served at Dujarie House, Notre Dame, Indiana. From May until August 1993 Brother Richard worked at the Holy Cross Brothers' Center, Notre Dame, Indiana. In August of 1993 he returned to St. Joseph Farm and then to Columba Hall, Notre Dame, Indiana, in 1995 where he has lived and worked for the past 14 years.

Brother Richard has made it his mission to make rosaries and spread the good news about the value of saying the rosary daily. He can be seen often praying the rosary at the Notre Dame Grotto. Brother Richard often repeats the saying of the late Fr. Patrick Peyton, C.S.C., "The family that prays the rosary together stays together."

Brother Joseph Dudek, C.S.C.

Joseph Dudek was born in Harvey, Illinois, on November 30, 1922, to Frank and Frances Dudek. During those 36 years Brother Joseph also moderated a number of clubs and once served as an athletic director.

Brother Joseph was famous for his hobby of getting refunds for food and other items. Over the years he saved the house at River Grove thousands of dollars with his refunds. At Hoban Brother Vincent helped teach welding and was the maintenance man for the school.

40 Year Jubilarians

Brother Clement Burger, C.S.C.

Both of our 40 year jubilarians have spent the majority of their religious life at one school or institution. In the case of Brother Clement Berger he taught at Holy Trinity High School, Chicago, Illinois, for 31 years, and has been living in the Chicago area for 34 years. Clement Burger was born July 14, 1942 in Lancaster, Pennsylvania to Clement and Jeanette Burger.

While a student at the University of Notre Dame during the period just after Vatican II, it was an exciting time in the Church. A Holy Cross brother gave an inspiring talk in a Cursillo meeting he was attending. It was after that meeting that Clement began to investigate Holy Cross and was very impressed with the people he met. Clement entered the community at Basil Hall, Notre Dame, Indiana, in September 1967. He took his first vows on June 16, 1968. Brother Clement earned both his B.A. and Master's degrees from the University of Notre Dame in government and international studies.

Brother Clement's first assignment was St. Joseph High School, South Bend, just down the road from Notre Dame and Basil Hall. Following Gibault, Brother Clement served at Boyssville of Michigan, Macon, Michigan from 1971-1975.

Chester attended St. Monica's Grade School in Mishawaka, Indiana, and graduated from St. Joseph High School, South Bend, Indiana, in 1967. Blessed Brother Andre has been a great influence in Chester's life. He believes due to the intercession of Brother Andre he's alive today. In 1991 Chester suffered a freak accident while playing basketball, which resulted in a life threatening illness, and hospitalization in a coma for several weeks. Chester's health improved only after many prayers by the community members, friends and relatives, and the placing of a Brother Andre relic at his side. The next day he began to recover, with the doctor at a loss of explanation. After his novitiate year and taking first vows on June 16, 1969 he went to St. Edward's University and graduated with a degree in mathematics and teaching in

1972. Later on he would earn a master's in social work in 1981 from Wayne State University, Detroit, Michigan.

Brother Chester began working at Boysville of Michigan in the Summer of 1970 teaching mathematics and typing. He continued to work at Boysville and then Holy Cross Children's Services as it is now called for the next 37 years. For the first 10 years he worked his way up in the various programs at Boysville. In 1981 he became Program Director for Boysville as well as supervising managers in Detroit, Ecorse, Mt. Clemens, Saginaw and Alpena, Michigan. By 1985 he was Regional Director with a staff of 175 and revenue in excess of ten million dollars.
