Holy Cross General Chapter in Rome Decides to Restructure Congregation

Dear Friend of Holy Cross,

For three weeks in July, I along with six other brothers from the Midwest Province, attended the Congregation's General Chapter in Rome. This once every six-year gathering involving a total of fifty five delegates reviewed our past, projected into our future, and determined the best course of action for the present.

Brother Chester Freel,
C.S.C., Provincial Superior

The internationality of the Congregation of Holy Cross was clearly evident, and in large part set the tone for our deliberations and future direction. The most significant decision of the Chapter is for the Congregation to undergo a planned, purposeful, and collaborative process to restructure the authority and organization of Holy Cross.

The ramifications of this planning process are unknown at this time, but through discussion and discernment over the next five years, the recommendations will be ready for acceptance and implementation at the next General Chapter in 2016. The only thing that is certain right now is that the future will look distinctly different for the Midwest Province, as well as for all other sectors of the Congregation.

This state of uncertainty for typical business organizations often causes anxiety and confusion among its members. Fortunately, for us in Holy Cross our purpose remains unchanged: "Our mission is the Lord's and so is the strength for it." (Constitution 2, 20) As stated by our founder, Blessed Basil Moreau, with unflinching zeal our goal is "to make God known, loved, and served and thus bring salvation to others." (Moreau, *Christian Education*.)

In this edition of *BROTHERS* we thank our friends who have supported

Annual Appeal Provides Necessary Improvements to Columba Hall

Brothers remember you our donors in prayer.

We have listed, in this issue of *BROTHERS*, our Honor Roll of Donors who have generously supported us throughout the year. The number of donors for the year was 1,357, and the total amount for the year, July 1, 2009–June 30, 2010 was \$412,044.

There were 997 people who contributed to the annual appeal, with 164 as first-time donors. The amount received was 75% over our goal of \$122,000, allowing us to renovate ten rooms rather than the intended six rooms, along with the planned updating of the fire alarm system and re-insulating our walk-in freezer and refrigerator.

Over these past months at Columba Hall, the hallways were filled with furniture while renovations took place. Now that the work has been completed, suitcases and boxes have replaced the furniture in the hallways as the new residents are setting up their rooms. It reminds me in some ways of former years when Brothers were routinely assigned each year in the Month of June. There was always lots of activity as people adjusted to different locations, renewing old friendships and getting to know some community members for the first time.

Recently Brother Walter Gluhm, Superior of Columba Hall, held a meeting in which the “Wellness Team” headed by Brother Lewis Brazil, Province Director of Health Care and Aging, made a visit. The team consists of a nurse, dietitian, and fitness technician, and together they will direct the Wellness Care program at Columba Hall. Because of your generosity Brothers are able to remain longer at Columba Hall. Very soon we will have over forty Brothers in residence.

Columba Hall has always had a wonderful spirit and that continues to this day. In 1965, just out of college, I was assigned to live at Columba Hall. At the time I was one of the youngest brothers living there. Little did I know or even think that when I got into my 60s that I would still be among the youngest living at this storied and blessed building.

Our gratitude to one and all, whether a first time donor or someone, who for a number of years, has said, “Yes, I’d like to support the Brothers of Holy Cross.”

In the name of all of the Brothers of Holy Cross, thank you for your generosity.

Sincerely,

Brother Roy Smith, C.S.C.
Director of Development

us during the past year. Each of the names listed here has made possible the now completed remodeling work at Columba Hall and/or supported the various ministries of the Brothers of Holy Cross. It is because of such generous friends that we have accomplished much. These friends are truly a gift to the Brothers, and significantly contribute to our present and future role within the Congregation and the church.

With the strong likelihood of the Congregation of Holy Cross restructuring, and whatever the future of the Midwest Province, we will continue to be of service to others. It is deeply rewarding to see and acknowledge your trust in us to wisely continue in ministry.

Thank you to all who have supported us this year with your prayers and gifts. Together we are contributing to building up of the kingdom of God here on earth. May St. Joseph, Patron of the Brothers, pray for you and us.

In Holy Cross,

Brother Chester Freel, C. S. C.
Provincial Superior
