We Stand Side by Side With All People

Dear Friend of Holy Cross,

Time moves quickly. It is hard to believe, but I have now completed the second year of my six year term as Provincial of the Midwest Province. I suspect that 80% of what one expects to experience in this position has already come my way. Many of the duties require listening, strategizing, planning, and sitting in meetings, all of what one might expect in a ministry of “administration.”

Brother Chester Freely,
C.S.C., Provincial Superior

However, make no mistake in assuming the “job” is boring or routine. This in large part is because of the people with whom I have the privilege of interacting, and seeing the ministries in which they are engaged.

Let me give you but one example. Earlier this summer I traveled to the West Coast to visit four of our brothers involved in separate ministries in Vancouver (British Columbia,) Portland, Los Angeles, and Phoenix. Other than the University of Portland, this was my first visit to each of these areas. It was amazing to see the good work that our members are doing. I was able to hear from co-workers, administrators, and clients of the valuable services that our brothers perform on a daily basis. And more importantly, I could see the difference that our brothers’ presence meant to the lives of others.

This visit out West is typical of my interaction with all our brothers and their ministries. These observations are affirmed each time I visit a Holy Cross high school, attend a board meeting, or witness brothers in action at homeless shelters or with at-risk youth, working in parish situations, or serving wherever they may minister.

The Congregation of Holy Cross Constitution #12 reads:

“As disciples of Jesus we stand side by side with all people. Like them we are burdened by the same struggles and beset by the same weaknesses;

Brothers

I suspect most have had some level of interaction with a brother and/or a Holy Cross ministry, and as with my experience, were impressed by the dedication and willingness to “stand side by side with all people.”

Recognizing Our Friends and Benefactors

In this issue we recognize our friends and benefactors who have made contributions between July 1, 2010 and June 30, 2011.

During the past fiscal year 1281 individuals made donations totaling \$452, 304. The average was \$353 per gift.

We are at it again! Thanks to your generosity, electricians, plumbers, construction workers, carpet layers and others are nearing completion on nine double-size rooms, each with its own bathroom at Columba Hall. These renovations will allow residents to remain at Columba Hall for a longer period of time.

Once inside work at Columba Hall is complete, blacktop paving will begin on the driveways and parking areas.

In a recent letter to Midwest Province Brothers, Brother Chester Freel, C.S.C., our Provincial Superior wrote, "As a community we have been blessed with many friends and benefactors. Over the last two years, we have received approximately \$455,000 for improvement work at Columba Hall. These donors deserve our appreciation and remembrance in prayer, as their gifts have significantly upgraded the safety and quality of life for the residents of Columba Hall."

There is a Ghanaian proverb, "No One Takes Credit for His Height." A person gave the following translation: A humble person recognizes gifts he has been given wholly by God and these he

has, with God, been able to develop over his life time.

As a province, we recognize the presence of our donors in our lives and the contributions they make. A gift is to be used wisely and frugally. We have made every effort to be good stewards.

Your continued support is an encouragement to us as we live the gospel. We hope our fidelity to the gospel gives you reason to be a sustained giver.

Sr. Georgette Lehmuth, OSF, President of the National Catholic Development Conference, wrote:

"The primary reason we ask others to give is because we believe that deep inside everyone is a desire, a need to do something for others. We believe others want to make a difference and give back."

Many people, especially graduates of our schools, want to say in some way, "thank you for influencing our lives."

Again, realizing that you are making a difference in our lives, we express a deep sense of gratitude for continuing to support us.

Gratefully,

Brother Roy Smith, CSC

We Stand Side by Side With All People

(continued from page 1)

like them we are made new by the same Lord's love; like them we hope for a world where justice and love prevail."

It is one thing to read this quote and to imagine how it might work in practice. However, the blessing of my position as Provincial is that I am able to see this element of our Constitutions being played out in real life, and for that I am most appreciative.

Yes, I am honored and blessed to see the work of our brothers. However, I am even more privileged and amazed to see the kindness, commitment, and determination of those with whom our brothers "stand side by side." I am fortunate to see this lived out by faculty, volunteers and board members, in whatever ministry our brothers are engaged.

Frequently I am asked: "What is the best part of being the Provincial?" My response usually attests to some recent event I attended and/or visit with a brother, and is along the line: "The opportunity to be constantly amazed by the ministries of our brothers, and to witness their commitment to Holy Cross and to the people with whom they serve."

In a similar vein, I am amazed and thankful of the support, generosity, and kindness of benefactors and friends like you who assist the Brothers of Holy Cross. I suspect most have had some level of interaction with a brother and/or a Holy Cross ministry, and as with my experience, were impressed by the dedication and willingness to "stand side by side with all people."

Thank You to all who have supported us this year with your prayers and gifts. Together, let us continue working for a "world where justice and love prevail."

May St. Joseph, Patron of the Brothers, and his disciple, St. Brother Andre Bessette, pray for us. In Holy Cross,

Brother Chester Freel, C. S. C.
Provincial Superior
