BROTHERS of HOLY CROSS - NOTRE DAME, INDIANA

Vol. 2, No. 18

July 28, 1969

Brother Charles Krupp returned from his visit to Africa on July 17. After spending a week here at home, he left on July 23 for Pakistan to make the visit there. He had expected to make the visit in November, but because a recent education act made unclear the role of the Brothers in the proposed education reorganization in Pakistan, he felt that it was better that there be a provincial visit at this time. He will report on his visits to Africa and Pakistan in a circular letter early in September. He will also announce voting procedures, agenda, etc., for the coming provincial chapter.
