Brother Keric Dever wrote recently: "The days of Vincent Hall are numbered. We are expecting to move out of here by the end of May. Demolition of the old quarters will start around June 1 or as soon as we are able to remove all salvageable materials. The brothers have been working during free time to prepare for temporary quarters on the second floor of the Main Building. It will be better than this place in some ways; except for doubling up in rooms. We probably will stay in Fremont Hall this summer. It's air conditioned, you know."
