Gibault School just concluded their \$200,000 Lilly Matching Fund Drive. Lilly Endowment of Indianapolis will match this amount, bringing the total to \$410,000 which will be used for capital improvements at the school. Gibault's capital improvement program began in 1971 and has already resulted in the construction of two residence halls. The drive just completed will cover the cost of a third residence hall and some remodeling. Future improvements call for construction of a fourth (and last) residence hall, the remodeling of the three-story Alerding Hall, the construction of a sports complex, and the updating of the staff residence.

Sr. Maryanne O'Neill CSC reports that CBS television is planning a special on October 19th entitled "A Home of Our Own," devoted exclusively to the orphanage near Mexico City where Br. James Linscott has been working for the past two years. Watch for the program listings.

Please pray for the brother-in-law of Br. Carlos Parilla. He was killed in a car accident on September 2nd while returning home from work. His wife is expecting their first child in February. Br. Carlos' home address is: 2377 Elyria Ave., Lorain, Ohio 44055.
