"Multipurpose" Building - SBAHS

Just a little update via a picture, on my project to build a "multipurpose" building for St. Brother Andre Senior School.....

As you know we have dorm accommodations for 200 boys and 200 girls, and a classroom building with 15 classrooms. Presently we have 125 students.....We need space for dining, assemblies, PTA meeting, and worship services....This building will provide space for those activities...The District is also building a Brothers' residence which should be completed by March to accommodate 16 Brothers....The present Brothers house will become the administrative center.

The multipurpose building should be completed by March 2020. We have received gifts to cover the cost of the building. We will then need additional dollars for furnishings. We project needing about 300 chairs...approximately 15 dollars each.

Christmas Presents

The **Brothers at Columba Hall** collected \$760 for the St. Vincent de Paul Society of Saint Joseph County. Meijer, Inc., doubled that amount so that \$1520 was added to our amount for a total of \$2280 for food for dozens of local needy families during the holiday season.

Thank you to ALL our "Santas" who helped with the Catholic Charities Christmas gifts
