## Noon Lunch with Muffet

Notre Dame Women's basketball coach Muffet McGraw came for lunch along with the director of basketball operation, Katie Capps. It was her first visit to Columba Hall, an event that had been on her bucket list. A written list of starter questions was present by the Brothers. Later, a few Brothers acted as if they were members of the press, beginning their question with the phrase "I have two questions ...". Thanks Muffet, you made our noon meal enjoyable and fun.

Holy Cross Student Associates  
October 28, 2017**

Holy Cross Associates is now promoting student chapters formed with students from area colleges and universities. The student chapter located here in the Notre Dame area held a service breakfast for the homeless as part of their commitment as a Student Associate of Holy Cross.

The students not only served breakfast consisting of eggs, bacon, toast, cereal, and coffee, but also handed out clothing (especially to keep the recipients warm during the coming cold months), talked with the recipients (learning about their lives and telling them about their lives), and invited them up to the chapel to talk about faith, and prayed together.

Over 30 were served. The event took place at The Catholic Worker home: Our Lady of the Road.

**Student Associates: Kayla Rask, Denis Alexander, Steven Burke, and Brandon Terk.**

**Brothers Carl Sternberg and George Klawitter** have worked together in the development of this type of associate chapter.

## Doorkeepers for God

On the morning of each football Saturday at Notre Dame, the McGrath Institute for Church Life sponsors *Saturdays with the Saints*, a series of public lectures on the lives of the saints. On October 21, Fr. Kevin Grove, C.S.C. presented a lecture entitled *Venerable Solanus Casey and Saint Andre' Bessette: Doorkeepers for God*. We are familiar with our own Saint Brother Andre'. Soon-to-be Blessed Solanus Casey was a Capuchin friar who spent most of his adult life and ministry in Detroit, serving as a porter and caring for the sick, poor and downtrodden - lending a listening ear and caring heart to the thousands who came to him for counsel, wisdom, and aid.

Fr. Groves shares inspiring insights into the heroic lives of both of these simple men of great virtue.

Fr. Grove is Assistant Professor of Theology at Notre Dame. The link to his presentation is below.

## Reflection

*The more faithfully you listen  
to the voice within you,  
The better you will hear  
what is sounding outside.*
