Brother André Award

Jack Mueller, Directory of Campus Operations; Nathan Morlock; and David Null, CEO and President

When Brother Andre was canonized, Holy Cross Village initiated a Brother Andre Exemplary Service Award.

The recognition of talent and service is made annually to a staff person who, in unassuming and consistent ways, is tender in care and compassionate in duty. Much like Brother Andre.

All staff, families, and Brothers are invited to raise names for this award. This year we had over 30 different names. A committee of six met and this year's winner is Nathan Morlock of our maintenance department. Among the things said about him are these: no problem is too difficult for Nathan! He is prompt, pleasant, and very professional. Nathan exemplifies the virtues of Brother Andre admirably. He is quiet, gentle, and kind with a very positive attitude.

I have attached two photos. In the Fe y Alegria Nro. 25 school, where I was once the head person, each year they give a name to the graduation classes, both in elementary and high school. This year the elementary class (grade six) was named "Promotion Hno. Juan Benesh C.S.C." I took the photo after a long, two-hour ceremony.

The second one shows a big piece of stained glass on the work table in my shop. I am almost ready to install this piece in a convent of Dominican Sisters on the other side of Lima. When this one is in place I will begin on a second one, same size and identical design.
