## **Year of the Lord's Favor**

**Upon this ordered feast  
Let captives be released,  
The oppressed find relief,  
Widows assuaged of grief,  
The lost be sought and found,  
The harvest yield abound,  
The earth with peace be stilled,  
The poor their needs be filled,  
The demons forced to flee,  
The blind be cured to see,  
The lame be made to walk,  
The mute be able to talk.**

**All this shall come to be  
By heavenly decree  
When the Lord will restore  
The year of His favor.**

Cathedral High School  
Leadership Program  
Monday, May 2, 2022

**Br. Robert Jimenez, CSC**, teaches the Holy Cross Servant Leadership class in Indianapolis. He came with his Leadership Class to Notre Dame so that the class could put into practice what they learned about the history of Holy Cross. Part of the trip was a stop for lunch at the resident home of Holy Cross Brothers, Columba Hall. They spread out among the tables to spent time visiting and listening to our stories.

## Holy Cross Roads Writings for the Journey

### Share the Abundance

Dear Associates and Friends,

When we ponder the implications of God's incarnation in Jesus, we become enthralled with the mystery that the God of the cosmos would choose to become human on our small planet. Jesus' life and message shares with us the secret that is almost beyond our expectations, because of who he is. His transformation into human life is the portal for us to share in his divine life. He has given us the inheritance as being the beloved of God.

Being God's beloved is the gift that makes us free to avoid all of the many paths to destruction that are present in our world today. Our calling is to share the gifts that God has given us and to bring them to the world that is in such great need. The gift of God's grace will enhance our ability to truly make a difference in our world and to do our part in bringing about God's kingdom. This is the abundant life we need to share. As Jesus has shared his life with us, we are now capable of sharing our lives with others. The gifts of the Holy Spirit which might remain dormant since our Baptism are now able to flourish and will be the sign that God has truly transformed our world.

- Have you experienced transformation in your life because you are Christian?
- If so, how did this transformation come about?
- How have you been able to share this abundant life with others?

**O God, help me find ways of making my Christian life so real that others may be drawn to you.**

HAPPY MOTHER'S DAY + MAY 8, 2022

Don't worry that children never listen to you; worry that they are always watching you.
