Holy Cross Roads Writings for the Journey

Do You Believe?

At this time in which we live, many are losing hope in the future with so many challenges ahead of us: climate change, wars, polarization. We can become overwhelmed.

Yet in the midst of this uncertainty Jesus appears in this time of our discontent. When we say that we are living “in Christ,” what we are saying is that Christ is present in all aspects of our lives. He wants to be a part in all that we are and all that we do. Now is not the time to lose heart. He gives us grace plus hope and asks us to work hard to bring about “the kingdom of God on earth as it is in heaven.” Do you believe that each person has unique gifts to share for the world? Rather than bury our gifts, we are called to use them to make the world better. We can begin by making a difference in “our world.” How, when, and where could start by listening to God in our prayer. With God’s backing, we will be able to be and do great things. We will then see miracles happening in us and through us.

- Do you find yourself becoming overwhelmed by the challenges that our world is facing?
- You believe in God, but do you believe in yourself that you can make a real difference in the world with God’s help?
- What gifts is God calling you to share?

**O God, help me to believe in myself that with your help
I might share my gifts for the world.**
