## Saint Brother Andre High School

The school has a starting enrollment of 22 students, 14 of whom are boys and the balance girls. This is a boarding school since many students may not have a place to study at home. This starting group of students is all 10th graders.

Entrance road to the school which extends almost a half mile from the public road. This public road is only partially paved and takes much maneuvering to avoid “huge” pot holes!

Holy Cross Residence which accommodates 6. Brothers moved in during September even though there was no water. They have drilled 4 water wells which provides untreated hard water which is not able to be used for drinking. Bottled water must be purchased. Br. Augustus, Headmaster, and I met with a company that can provide the necessary equipment to purify and “bag” the water for consumption.

I had opportunity to meet with a class during their common reading period.

This is the approach to the classroom room building the Holy Cross Residence. The school is planning to eventually enroll 800 plus students when completed. The classroom building will have four floors when completed. It now has one and half of the second floor almost completed.

A donor has provided resources for a science lab and computer center for students.

The building in the distance is a residence hall for boys as viewed from the classroom building.

This building is the temporary kitchen/cooking facilities from the same classroom building.

The food for breakfast, lunch and evening meal is carried to the classroom building where a classroom serves as a dining room.

A classroom that was made to accommodate the student's' Christmas pageant and chorus performance.

Christmas performance presented to faculty, staff and the neighboring Holy Cross Sisters who founded Holy Cross Academy for early childhood and elementary

students ten years ago with just six students the first year. The school now has an enrollment of over one thousand.

Classroom/dining room where we were hosted by the students following their Christmas performance.

Shop area located in the open market area.

As you can appreciate St. Brother Andre Senior High School is at the “pioneering” stage and many challenges to meet in becoming a School that will challenge minds, form hearts as they transform lives within the culture of our Holy Cross tradition and charism.

## Moreau Province Transitions and Events December 2017

On December 23, 2017, Brothers Ronald Drahozal, CSC, Nicholas Thielman, CSC, and Father Joseph Peixotto, CSC, were honored for their educational ministry at St. Gregory's High School, Dhaka. The gathering was held at the newly established Gregorian Club in Dhaka. Each honoree was presented a half-sleeve school jacket and a crest.

The gathering of St. Gregory Alumni and Honorees.

Honorees (Second from left): Fr. Peixotto, Br. Nicholas and Br. Ronald.

## Reflections

*"There are better things ahead  
than any we leave behind."*

C.S. Lewis, in a letter to Mary Willis Shelburne

THIS REFLECTION IS COURTESY OF MISSION, ETHICS & SPIRITUALITY  
PROVIDENCE HEALTH CARE, VANCOUVER, BRITISH CO.

*"Our deepest fear is not that we are inadequate.  
Our deepest fear is that we are  
powerful beyond measure.*

*It is our light, not our darkness  
that most frightens us.*

*We ask ourselves, who am I to be brilliant, gorgeous,  
talented, fabulous?*

*Actually, who are you not to be?  
You are a child of God.*

*Your playing small does not serve the world.*

*There is nothing enlightened about shrinking  
so that other people won't feel  
insecure around you.*

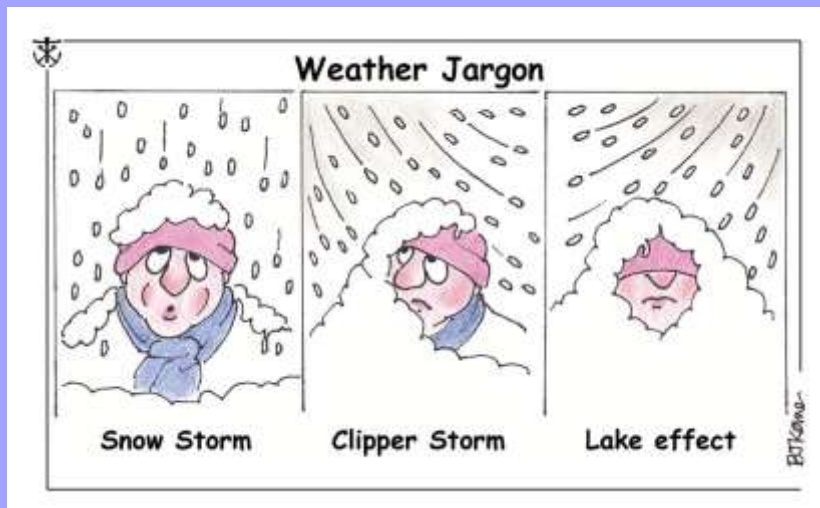

*We are all meant to shine, as children do.  
We were born to make manifest the glory of  
God that is within us.  
It's not just in some of us; it's in everyone.*

*And as we let our own light shine, we  
unconsciously give other people permission  
to do the same.*

*As we are liberated from our own fear, our  
presence automatically liberates others."*

Marianne Williamson
