Mission on the Weekend

Several weeks ago I received a phone call after a cross country meet and was commended for the way our students and our parents reacted in a precarious situation. During one of the first meets of the season, a runner from another team became extremely dehydrated and collapsed. Several members of our women's cross country team had just finished their race and came to the assistance of this young runner. One member of our team ran to get her mother, a doctor, who worked to stabilize the young man. Our girls helped mobilize other runners and formed a "water bottle brigade," bringing water from a hose to the young man to cool him down. Each of these Gilmour students, in that pivotal moment, exercised competence and courage, making decisions that helped save a life. After he spent several days in Intensive Care, the runner's grandmother called and shared that what happened on that cross country path was critical in his recovery.

Every day I am proud to be at the helm of such a special place. I wanted to pause in the midst of the frenzy of fall to highlight some of the wonderful things our students and our faculty are doing. I hope to see you on campus soon.

May God bless you and all you love,

Holy Cross Village Holds Celebration of Service Awards Banquet

Pictures of the October 6, 2016, Service Awards were missing in last week's article. Here is Brothers Thomas Cunningham holding the award he received.

Culture Zone

October 10-15, St. Edward High School celebrated its first Culture Week. Celebrations included praying as a community each morning in different languages; playing music in the cafeteria from different cultures during community period; and serving culturally diverse meals in the cafeteria.

During community period students had the opportunity to participate in a variety of activities geared at promoting international-mindedness.

- On Monday, students attended a refugee response presentation to learn more about the refugee population in Cleveland.
- On Tuesday, students participated in a salsa and latino dance workshop.
- On Wednesday, students learned more about international travel opportunities during a discussion with Mr. Perrins and exchange students.
- On Thursday, the school kicked off its first gospel choir practice.
- The week culminated with the feast of St. Edward Mass celebrated in several languages on Thursday.
- On Saturday, October 15, students had the opportunity to serve at The Refugee Response Ohio City Farm to conclude the week with a focus on community and servant leadership.

Many students went outside of their comfort zones to experience new cultures.

Save the Dates

March 25, 2017 (Brothers Symposium)
and May 1, 2017 (Religious Brothers Day)

More Info later.

God of mercy and compassion,
thank you for the extraordinary life, witness, and ministry
of Religious Brothers in our Church.

In your wisdom, you have called these ordinary men
to generously serve, pray,
and share your healing love with others.

As we prepare for our annual Religious Brothers Day,
deepen our appreciation for the vocation
of Religious Brothers, their congregational charisms,
and their commitment to vowed community life.

Strengthened by our baptismal call to holiness,
inspire us to invite men
to consider religious life as a Religious Brother.

Grant all Religious Brothers the grace and perseverance
they need to proclaim your Holy Word
for the life of our Church and our world.

Amen.

The Eastside Innovator Award

An October 14 e-mail

THE EASTSIDE INNOVATOR AWARD recognizes a civic or institutional leader who has made significant positive impact in the local governance and social development of residents on the Lower Eastside of Detroit.

**Brother Francis Boylan, CSC - Samaritan Center
Holy Cross Children's Services, Executive Director**

Brother Boylan has been, in his own words, “at this for 45 years now.” Helping about 2,000 people a day, he says he is sustained by the countless thank yous he receives from kids no matter where he goes. He also states that, “one of the most gratifying aspects of this work is actually being with people who are marginalized. There are all these stereotypes out there, but we have the privilege of meeting the *person*.”

Holy Cross College Hosts Ghosts & Goblins Children's Festival

NOTRE DAME, IN (October 25, 2016) — Looking for a fun, safe way to celebrate Halloween with the kids? Holy Cross College will host its 10th annual Ghosts & Goblins Festival on Tuesday, October 25, from 6:00 to 8:00 p.m. The event will take place in the Pfeil Center on the Holy Cross College campus, 54515 State Route 933 North, South Bend (across from WNDU).

Admission to Ghosts & Goblins is free. All activities are family friendly and appropriate for children ages 2 - 10. Children must be accompanied by an adult, and although encouraged, costumes are not required. Trick-or-treating will be offered in the college's North Residence Hall.

“Every year the Holy Cross community eagerly anticipates our annual Ghosts & Goblins event,” states Hank Gettinger, director of student programming. “Our students especially enjoy hosting the families during their visit, and organizing games and activities for the children of the area.”

The event is sponsored by Holy Cross College’s Social Concerns Committee, a student organization whose goal is to meet the needs of the less fortunate within the community and beyond. Members of the Social Concerns Committee are actively involved in volunteering their time and efforts to serving others by means of providing donations of food and clothing, mentoring, and community outreach. “Ghosts & Goblins is a family friendly, age-appropriate event which provides local children with a safe environment in which to celebrate this ‘spooky’ holiday,” says Dr. Doris Van Auken, Holy Cross professor and advisor to the Social Concerns Committee.
