News From Br. Bob Sylvester

Br. Bob Sylvester will speak to third year law students studying ethics at Notre Dame Law School on February 12. His topic will be: *Healing and the Profession of Law*. Bob is the Director of the Initiative on Spirituality and the Professions at the Institute for Church Life at Notre Dame.

I am assisting in the development of a program for Bishops who will discuss leadership and charisms of the Episcopate as presented in the post-Vatican II magisterial documents as these documents help the Bishops gain a greater understanding of their activities within a firm theological framework.
