Br. Robert Mosher Gets "Work of Heart" Award

Brother Robert Mosher was nominated and named a recipient of the "Work of Heart" award. He was presented last week with the award as an outstanding Catholic educator by the [Catholic Foundation of Dallas](#). With faculty, students, and some parents assembled, Mr. Ed Schaffler, President of the Catholic Foundation of Dallas, bestowed the Foundation's honor upon Br. Robert for his being "an outstanding contributor to Catholic Education." and for "his dedicated service to children." He was given a certificate and a grant of \$500.

Andre Place Fall Jazz Fest

This past Sunday, **Br. Lewis Brazil** of Andre Place, Notre Dame, held a "Fall Jazz Fest," for those at [Holy Cross Village](#) and Columba Hall. The two-hour event included some cool sounds of jazz performed by Br. Lew along with staff and friends of Holy Cross Village. Attendees had the opportunity to partake of some punch and fall desserts.

Case for Br. Andre Moves On

It is with great pleasure that I inform you that the Theology Commission responsible for studying a case of healing attributable to [Brother André](#), Founder of Saint Joseph Oratory in Montreal and religious of Holy Cross, has rendered a positive, unanimous judgment today and now recognized without any doubt that the healing previously studied by a medical commission in February 2009 is due indeed to his intercession.

The cause can now receive the attention of a panel of 15 archbishops and cardinals who will study, among other things, the pertinence of extending the devotion of Bro. André to the universal church. Following their recommendation and that of the two commissions (medical and theological), his Holiness Pope Benedict XVI will in turn, study the cause and make a final decision.

Let us all rejoice in this great news and continue our prayers for a happy ending!

Fr. Mario Lachapelle
Assistant General

Justice and Peace Commission

The first meeting of the *Justice and Peace* Commission this year will be on Saturday, November 14, 2009 at Columba Hall starting at 9:30 AM. Any Brother wishing to join the Commission may attend the meeting. If you are not a resident of Columba Hall and want to stay for lunch, please let **Brother Bill Mewes** know in advance so that he can notify the cooks. The main topic of the agenda will be what actions the Commission should take. Those not attending the meeting but who want to make suggestions, should forward those to Brother Bill.

Update on Br Robert Kelly

Br. Robert Kelly has moved from the Intensive Care Unit to a private room in Hillcrest Hospital, where he awaits eventual discharge to a local rehab facility.

Again, his condition is stable as he continues recovery from serious bacterial infections. Each day he is making progress, and he is grateful for the thoughts and prayers of province members. His address and phone number will be published once his rehab begins. Please keep Br. Robert's intentions in your prayers.
