Father Warner Visits Columba Hall

On Thursday, September 2, **Father Richard Warner** visited the Brothers at Columba Hall. He celebrated Mass for the Brothers and recounted his days as a student at St. Edward High School in Lakewood, Ohio. Three generations of the Warner family have graduated from St. Edward High School. **Father Joseph Wilson** concelebrated the Mass with Father Warner. After Mass the weekly “Thursday gathering ” took place in the recreation rooms before dinner. Following dinner Father Warner and **Brother Chester Freel** met with house members in the recreation room for a few comments and questions. Comments included the General Chapter this past summer, plans for the Congregation to reorganize during the next six years, vocations, the community Solidarity Fund, Haiti relief and rebuilding, and the missions. **Brother Walter Gluhm**, superior of Columba Hall, told Father Warner that he is welcome at Columba Hall anytime he has the chance to visit.

Picture Stories...

A large image of Blessed Brother Andre Bessette is hung on the front of Columba Hall at Notre Dame. The Vocations Offices of the Congregation are distributing the posters to our schools and ministries around the world.

Improvements at St. Joseph Cemetery are nearly complete. All that remains is planting grass seed and adding bushes around the plaza this week.

Summer of 2010 Ends With Record Turnout at Coloma Picnic

The final picnic of the summer was held at the Coloma cottage on Labor Day with over 40 Brothers, a priest and laypersons attending, the largest group of the summer. The treat of the day was spareribs prepared by Brothers Joseph Fox and James Reddy. Chester Freel baked a couple of pies for the occasion. Twenty-two

Brothers from Columba Hall attended, along with their nurse and her husband. Brothers Frank Ellis, Roger Berg and John Doran were the only ones brave enough to test the water of Lake Michigan. The Summer of 2010 was celebrated with outings at Coloma on Memorial Day, 4th of July and Labor Day. See you all next year!
