Brother Walter Davenport Honored at Guerin Prep

Brother John Ptaszek, librarian at Guerin Prep, called **Brother Lawrence Stewart**, of the Midwest Province Archives to request a photo of **Brother Walter Davenport** for a display Guerin Prep is preparing which will include his name among the award winners. Brother Walter was the first principal of the River Grove school and later its President.

Each year Guerin Prep names a Holy Cross alumni member as the winner of the “Davenport Award” for outstanding service to his community or profession. Guerin Prep is currently establishing a Wall of Honor and making a special plaque to name the Davenport winners. The information from Guerin is from Sister Dawn Tomaszewski, SP.

The Brother Walter Davenport Award was begun in 2005 to honor an alumnus of Holy Cross High School who has given outstanding service to the community. This was similar to the annual McManus Award given to alums of Mother Theodore Guerin High School since 1978 for the same reason.

Previous Brother Walter Davenport Award winners have been:

- 2006 – Jack Ross (class of 1967)
- 2007 – Terry J. Malik (class of 1969)
- 2008 – Joseph A. Marchese (class of 1968)
- 2009 – George Ristau (class of 1970)
