## Outing at the LaPorte Center

Wednesday, February 16, was a great day in Michiana. The temperature was in the 40's and the sun was out. Some 40 Holy Cross Priests and Brothers from Holy Cross House, Fatima House and Columba Hall went to the La Porte Center of the Indiana Priests' Province for community. **Father Leroy Clementich** was the presider and homilist at the Mass for the religious, and nurses and aides from Holy Cross House. A spaghetti dinner was prepared by **Rev. Charlie Kohlerman** of the Moreau Seminary staff. All joined in helping to prepare the salad, garlic bread and brownies. Because of the snowfall this winter, it was the first time since November Holy Cross House had their monthly visit to the La Porte Center. It was a great opportunity for Priests and Brothers to enjoy community in a lovely setting.

Brother Roy Smith, CSC  
Director of Development  
PO Box 460  
Notre Dame, IN 46556

Dear Br. Roy,

Enclosed, please find a donation of \$500 from the St. Mary Catholic Central High School community given to benefit the Brothers of Holy Cross Retirement Fund. We make this gift during Catholic Schools Week as a small token of our tremendous gratitude for all that the Brothers have given to our school family.

The Brothers of Holy Cross' extraordinary educational ministry in Monroe has touched the lives of tens of thousands of students since 1944. We, at SMCC, are blessed to be the inheritors of your charism and its legacy of educational excellence. This is a trust we take very seriously, one which our faculty and staff work hard each day to earn. We pray that we might be worthy successors to this immeasurable contribution to our community.

Please extend our sincere thanks to all your fellow Brothers, especially those who have served as faculty and staff members at Monroe Catholic Central and SMCC. Know that we keep all of you in our daily prayers. May God bless you and your ministry in the days ahead.

Warmest regards,  
**Sean D. Jorgensen, SMCC 1991**  
President

You never forget teachers, friends or mentors who have had a profound effect on your life. **Roy Smith** has been all those things and more to me.

It was back in 1966 when I ran into him — almost literally — on my first day of class as a freshman at St. Joseph's High School.

## Photos of Formerly St. Patrick High School (1962-1997) in Monrovia, Liberia

Recently John Monebah, a graduate of SPHS and currently working in Liberia for the United Nations, e-mailed me 24 photos of the additions and modifications of the school's campus. The campus is now identified as Stella Maris Polytecnic and is operated by the Archdiocese of Monrovia. Additional floors have been added to some buildings and many new buildings constructed. In one photo a statue of St. Joseph can be seen on the wall of what is the classroom/library building. After the fighting in Monrovia, it was observed that while there were several bullet holes around St. Joseph none had hit the figure. If anyone is interested in seeing all these photos, I will be happy to forward them to them.
