## Midwest-Midweek is Eight Years Old this Week

On Wednesday, February 8, 2006, *Midwest-Midweek* was born. The name *Midwest-Midweek* was suggested by **Brother Philip Armstrong**. We have averaged close to 40 weekly issues a year, publishing every other week during the summer and at Christmas and Easter; average issue is eight pages and 10 pictures. During the first year just about a dozen small pictures were included. The original plan was to e-mail the newsletter to Midwest Province members and use the web page for our pictures. Several years ago the Superior General asked us to share the weekly publication with the entire CSC Community and friends. We currently e-mail the newsletter to over 900 persons a week. As we begin our eighth year, we look back at the most significant story we ran each year.

2006- The first online issue was six pages long, included a book review by Brother Philip, various happenings around the Midwest Province and

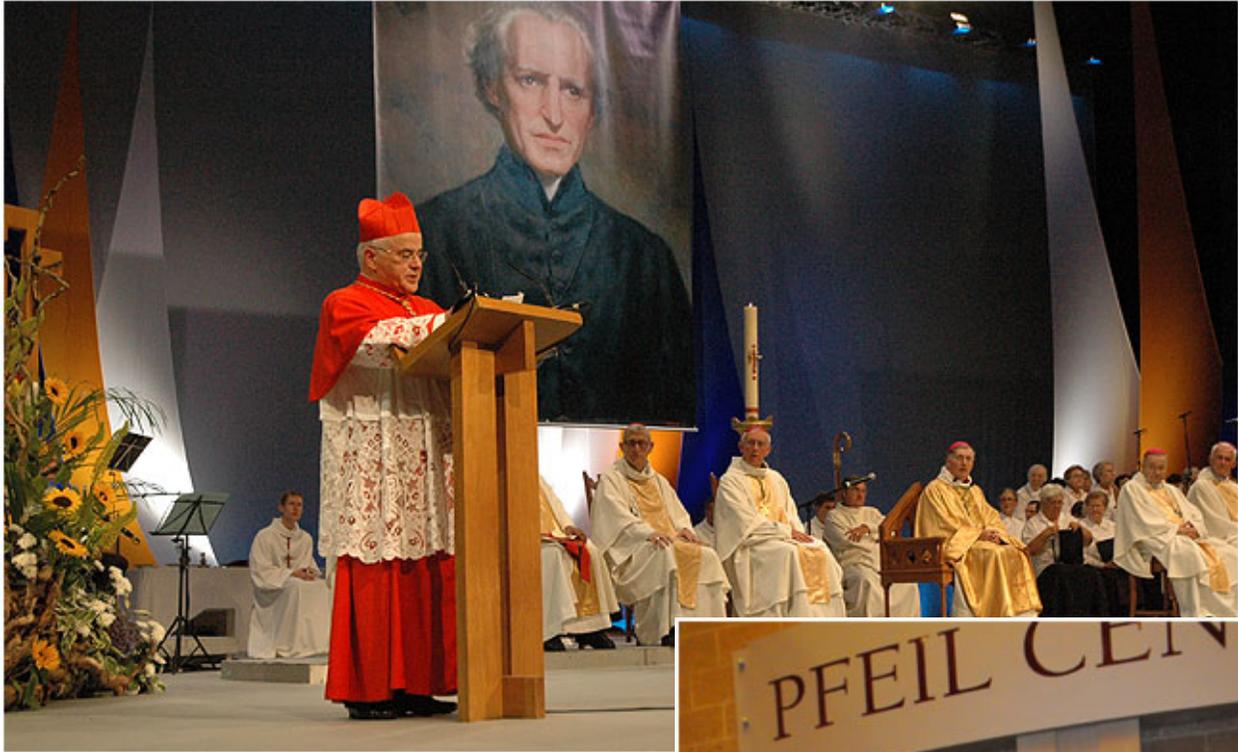

an announcement by **Brother Thomas Shaughnessy** of a major building project at Holy Cross Village which would be financed through a 35 million dollars bond issue and take over a year to construct. Buildings included a 96-unit four story independent living apartment building and all its necessary group activities space, a new chapel for the Schubert Villa Dujarie Hall complex, a 30-room-addition to the Schubert Villa assisted living unit and construction of a 12 bed dementia unit.

*Midwest-Midweek* covered the major construction of Holy Cross Village on the Midwest Province Brothers' web site [www.brothersofholycross.com](http://www.brothersofholycross.com) for over a year. Pictured is the groundbreaking ceremony for Holy Cross Village and the symbols in front of the altar at the groundbreaking Mass in St. Joseph Chapel on May 9, 2006.

2007- The major event of 2007 was the beatification of Rev. Basil Anthony Mary Moreau on Saturday, September 15, 2007 in LeMans, France. Father Moreau, Holy Cross' founding father was beatified in recognition of his significant contributions to the community which he founded. He is now declared Blessed by the Church – a declaration that was preceded by a two-part process examining his life, virtues, writings and reputation for holiness; and the third of four steps on the way to being declared a saint. For the Congregation of Holy Cross, his beatification further proves the importance of his life, teachings, and his educational values that shape Holy Cross institutions. There were 15 Brothers from the Midwest Province who were chosen by lot to attend the ceremonies in LeMans. Pictured is His Eminence Cardinal Sariva Martins who represented Pope Benedict XVI in LeMans reading the declaration of beatification.

2008- As the major construction project in Holy Cross Village wound down, Holy Cross College was building a much need multi-purpose building to complement the residence halls and classroom building they had completed in recent years. The Pfeil Center and McKenna Basketball Court was dedicated on January 7, 2009. The Pfeil Center provides an essential facility for the students of Holy Cross College to continue the development of their mind, body, and spirit. The Students Activities wing of the **building houses** administration offices and a board room used to brainstorm, create, and improve the quality of activities made available to students.

The athletic wing of the building houses a training room, coaches' offices, and a team meeting/film room for the greater care and development of our athletes and coaches. The Pfeil Center also provides

students, faculty, staff, and their guests with new equipment such as weights, bicycles, treadmills, ellipticals, as well as the opportunity to join in on fitness classes. Pictured is **Rev. Kevin M. Russeau, C.S.C.** blessing the Pfile Center. Father Russeau is currently the Novice Master of the United States Province of Priests and Brothers in Cascade, CO.

2009- On September 15, 2009, Holy Trinity High School in Chicago celebrated its 100 Anniversary. A bus filled with brothers, many of them former teachers or students at Holy Trinity traveled to Chicago for the day-long anniversary experience. The Brothers were given an update on Holy Trinity today, toured the school, ate lunch with the students, sat in on classes, and attended an assembly which marked the beginning of the Anniversary Year. The Anniversary Year ended September 15, 2010 with Chicago's Francis Cardinal George, OMI celebrating a Mass. Pictured is the Holy Trinity Band during the assembly. Holy Trinity today is not administered by but sponsored by the Brothers of Holy Cross.

2010- The canonization of Blessed Brother Andre Bessette as a Saint of the Church, along with four nuns and a priest by Pope Benedict XVI at the Vatican on the morning of October 17, 2010, was the event of 2010. Saint Brother Andre would be the first member of the Congregation of Holy Cross to be canonized. Word was received early in January, 2010 that Andre was being considered for canonization. In February, 2010 Pope Benedict XVI announced he would canonize Blessed Andre on October 17, 2010 along with five others. In May the Midwest Province announced it would sponsor **Brothers Richard Armstrong, James Blaszak, Daniel Dardo, Roberto Jimenez, Vincent Ntsiful and Carlos Parrilla** to attend the canonization in Rome. Holy Cross Village also

sponsored six employees to attend the week-long activities in Rome. Pictured is Pope Benedict XVI declaring Blessed Brother Andre a saint.

2011- The major story for 2011 was the retirement of **Brother Richard Gilman** after serving 17 years as the President of Holy Cross College. In early January of 2010, Brother Richard Gilman announced he would retire as President of Holy Cross of Holy Cross in June, 2010. In mid-January, 2010 **Brother John Paige** was named to succeed Brother Richard beginning January 1, 2011. It would be 21 months before Brother John Paige would be installed as the fourth president of Holy Cross College on Friday, September 23, 2011. Pictured are Brothers Richard Gilman and John Paige at the Instillation Ceremony of the fourth President of Holy Cross College.

2012- The Year of the Brother was opened on October 17, 2011 and ran until October 17, 2012. The Year of the Brother was declared by the General Chapter of the Congregation of Holy Cross. The purpose of the year was to highlight the vocation of the Brother in the world today and bring more visibility to the beatification of Blessed Brother Andre Bessette on October 17, 2010. The Year of the Brother was celebrated in all of the Holy Cross ministries throughout the world. Members of the Midwest Province committee were **Brothers Carlos Parrilla, Joseph Fox, Joseph McTaggart, John McMuldren, Nich Perez and Roy Smith**. Pictured is **Bishop John M. D'Arcy**, Bishop Emeritus of the Diocese of Fort Wayne-South Bend who opened the Year of the Brother with a Mass and homily. Bishop D'Arcy, served as Bishop of the diocese from 1985-2009. *Note: On Sunday, February 3, 2013, the 56<sup>th</sup> Anniversary of his first Mass as a priest, Bishop John M. D'Arcy, 80, died in Fort Wayne, Indiana.*

Thanks go to **Brothers Richard Johnson** who has maintained the web page for the Brothers and the design and production of Midwest-Midweek the past seven years. Thanks also go to **Brother John May** who was our proofreader the first four years and to **Brother Raymond Harrington** who has proofed Midwest-Midweek the past three years. Thanks also to you, our readers, who have contributed stories, pictures and messages of encouragement over the years.

## Sponsorship

### Midwest Province Holy Cross Associates

January 27, 2013

Mr. Ignacio J. Martinez, P.E.  
7838 Lafayette Court  
Pleasanton, CA 94588

Dear Iggy:

The Midwest Provincial Council met on January 14, 2013 and reviewed the proposed Memo of Understanding submitted by the Midwest Holy Cross Associates, and approved by its Members.

The review by the Council was very favorable, and concluded with unanimous acceptance of a resolution that the Midwest Holy Cross Associates become a sponsored ministry of the Midwest Province. The Memo of Understanding outlines the nature of the relationship and includes provisions for maintaining the sponsorship.

The next step is to determine the process for collecting the needed signatures. One method would be to simply complete this via US mail service. A second would be to have a more formal “signing ceremony” at some point in the future that is convenient to you and the Associates. I have no preference: one is more expedient, the other allows for a gathering to celebrate the event. Perhaps you might want to confer with the Midwest Holy Cross Associate Directors as to their choice.

Completion of the new relationship with the Midwest Province as decreed by the Congregation’s General Chapter of 2010, and the subsequent sponsorship agreement with the province, has taken significant time and effort on your part and that of all the Associates. Thank you for your work to see this to its end. It has been a long journey but we now have a sponsorship agreement in place.

Please accept my congratulations on this achievement.

Thank you.

Sincerely in Holy Cross,  
Brother Chester Freel, CSC  
Provincial Superior

## Clarification

In the front page story of Mid-Mid, January 30, we printed that “Columba Hall is being upgraded to provide the retired brothers an assisted living environment.”

The Ministry to Ourselves Committee from the Chapter last summer was very careful to avoid describing Columba Hall as being “assisted living.” This terminology has certain legal implications which would require a specific set of services and licenses which is not our intent at Columba Hall.

It would have been more accurate to say: **“Columba Hall is being upgraded to provide the retired brothers a more comfortable and barrier-free home, where appropriate additional home health care services will be made available for individual brothers.”**

Apologies for the confusion.

# Health Updates

## Midwest Province

Brothers,

I have two health updates to share with you regarding members of the Midwest Province, and a recent memo from Brother Mark Knightly concerning members of the Moreau Province.

- 1) **Brother Ronald Christenson** is at Dujarie House recovering from his recent stay in the hospital. Ronald is participating in rehabilitation treatment to regain strength and to fight an infection affecting his breathing. He appears to be making progress, and wants everyone to know he is on the road to recovery.
  
- 2) **Brother Carroll Posey** is currently in residence on the second floor of Bessette House where he is assisted by caregivers from a home health care agency, and Brother Lew Brazil is monitoring his care plan. As needed, Carroll may be moved this summer to the 3<sup>rd</sup> floor of Bessette if the Intentional Christian Living Community occupies the second floor next school year.
  
- 3) Below is the information from the Moreau Province concerning **Brothers Francis Kjeldgaard** and **Edwin Reggio**.

Please remember each of these brothers in your prayers as they cope with their health situations.

Thank you.

**Brother Chester Freel, CSC**

## Moreau Province

February 4, 2013

Dear Brothers and Friends,

**Br Francis Kjeldgaard** fell in his room at Br Vincent Pieau Residence on February 3, breaking his left hip. He was found quickly and helped by others in the community. Yesterday morning he underwent surgery, and is resting comfortably at St. David's Hospital, South Austin, in Rm 532.

**Br Edwin Reggio** has been struggling a great deal these past few months with a slow moving illness that causes him to overproduce a protein called macroglobulin antibody. It results in a variety of symptoms: swollen lymph nodes, bruising, severe fatigue, and neurological problems. Although Edwin has carried this illness for many years, in recent days the symptoms have been very difficult for him.

Please pray for the patience and confidence that both of these Brothers need as they meet the challenges of coping with significant health setbacks.

In Holy Cross,
