Holy Cross College and Holy Cross Village hosted the Fifth Annual Arts Day Salon

By RHETT GÉRARD POCHÉS - South Bend Tribune

On April 19, Holy Cross College and Holy Cross Village hosted the fifth annual Arts Day Salon — a free and public lecture and performance event that, befitting the college's liberal arts focus, celebrated the multidisciplinary spirit of the creative arts.

This year's salon featured lectures by Kay Westhues, Wishart Bell, and Joel Duncan — a diverse group of scholars and creative arts professionals who, like Holy Cross College, support the cultural enrichment of the greater Michiana community.

A 172-Year Tradition of Community Service and Caring Ministry

Panzica is privileged to have completed more than fifteen separate projects on the Holy Cross College/Holy Cross Village campuses, including new construction, remodeling and additions to Andre Place, Riverside Place, Schubert Villa, Our Lady of Holy Cross Chapel, Dujarie House and various villas, as well as several nearby college buildings and athletic facilities. See below for full story.

Since 1841, Brothers of Holy Cross have lived and worked on their beautiful wooded tract perched high above the St. Joseph River near Notre Dame, ministering to people of northern Indiana and around the world. In recent decades that legacy has culminated in the creation of Holy Cross College and the adjacent continuing care retirement community called Holy Cross Village at Notre Dame, offering seniors independent living villa homes and apartment options, plus assisted living, skilled nursing care and rehabilitation therapies.

The Brothers' faith-based heritage is joyfully celebrated at Holy Cross Village, where Brothers still reside in community with lay residents. In 2007, Panzica expanded Schubert Villa assisted living apartments while building a new chapel and the newest independent living apartment building; Andre Place. In 2010, Panzica renovated the independent living apartment building, known as Riverside Place, welcoming new lay residents to join the Brothers already residing there.

In 2012, Panzica and Holy Cross Village together embarked upon yet another endeavor, creating a new residential option by combining two existing single-family villas into a congregate home for seven active and semi-retired Brothers. This ensures that all current residents continue to enjoy the Brothers loving presence at the very heart of the campus, making Holy Cross Village a truly interdependent community, energized by Holy Cross' spirituality and dedicated to providing a nurturing environment focused on dignity and respect for religious and lay people alike.

Dolores Dusseau Takes Brothers' Fishing Classic

Dolores Dusseau captured the Fifth Brothers' Fishing Classic this past weekend (May 17) in waters off St. Joseph, Michigan. Dolores caught the largest fish of the day, a 17 lb. king salmon. The past eight years **Brothers Charles Drevon** and **Charles McBride** have fished with former Brother William Dusseau and his wife Dolores. Tournaments have been held the past five years on Lake Erie off Monroe, Michigan, Ludington and St. Joseph, Michigan. The first three years the group just fished in Lake Erie for Walleye while having fun...then they got serious about this fishing thing. The group went out with Capt. Jason and his Double Trouble Charter. The Brothers' Cottage in Coloma, Michigan, was base camp. Dolores will receive the traveling trophy at the presentation dinner in LaPorte in August. Pictured from left to right are Brothers Charles Drevon and Charles McBride along with Dolores and Bill Dusseau.

The Lake Milton Raptor Education Center SW Michigan

Lesya Godfrey, Columba Hall Activities Director, arranged on Thursday, May 16, a show for Columba Hall which included three owls, two hawks and a vulture that inhabit around the Notre Dame area. Aimee Pico, along with her mother Darlene Brockman were the handlers of the birds. It was an exciting presentation held outside near the Columba Hall building. The presenters brought the birds up close to each viewer, even to those few shy souls who were behind glass windows.
