Holy Cross Student Leadership Conference Returns to HCC

The Holy Cross Student Leadership Conference, once held annually at Holy Cross College at Notre Dame, Indiana, returned this past week (June 26-30) after being held last year at St. Edward,s University in Austin, Texas. This year the conference drew 74 students along with 21 adult leaders from 11 high schools in the Midwest and East.

Besides representatives from the Midwest and Moreau Provinces of the Brothers of Holy Cross, the Sisters of the Holy Cross were represented by seven students and adults from the Academy of the Holy Cross, Kensington, MD. This is the only all-girls school run by the Sisters of the Holy Cross. Also attending were students and adult leaders from Cathedral High School, Indianapolis, IN, a school sponsored by the Midwest Province, along with St. Mary Catholic Central of Monroe, Michigan, once run by the Brothers.

All of the schools had from 7 to 10 students and adults in attendance. They were: **Academy of the Holy Cross**, Kensington, MD; **Bishop McNamara High School**, Forestville, MD; **Cathedral High School**, Indianapolis, IN; **Holy Cross High School**, Flushing, NY; **Holy Cross High School**, Waterbury, CT; **Notre Dame High School**, West Haven, CT; **Holy Trinity High School**, Chicago, IL; **St. Edward High School**, Lakewood, OH; **Gilmour Academy**, Gates Mills, OH; **Hoban High School**, Akron, OH and **St. Mary Catholic Central**, Monroe, MI.

The theme of the 2013 Student Leadership Conference was “**A Shared Heritage.**” Each day there were certain objectives outlined. A sample, on Thursday students were encouraged to gain an understanding of the qualities shared by the schools, learn about the history, traditions and

missions of the schools and appreciate the legacy of the Brothers of Holy Cross by sharing time and interacting with them.

The students received a large dose of Holy Cross History. **Brother Robert Livernois**, associate principal of Hoban High School, Akron, OH, director of the conference, introduced **Brother John Tryon**, a member of the Holy Cross College faculty, who gave the students a brief history of the founding of the Congregation of Holy Cross. Students then embarked on a pilgrimage to Notre Dame to

view the major sites of the founding of the University of Notre Dame in 1842. Among sites visited were the founder's monument, Old College, log cabin, Grotto, Basilica of the Sacred Heart, main building and Holy Cross Community cemetery. Students had lunch and shared their experiences with the Brothers at Columba Hall.

The three full days were filled with leadership building activities including posters students created showing their school's mission, projects, and prayer. There was also time for the students to interact with students from other schools and make plans for the coming school year. Each school had an opportunity to make a presentation and learn from activities held by the other schools attending. On Saturday evening they had Mass and then dinner with area Brothers at Holy Cross College before holding their talent show.

The 5-day conference ended on Sunday with goodbyes, many new friendships made and a realization of what the Holy Cross traditions really are.

Off-campus activities included a visit to the South Bend Chocolate Factory, St. Mary's College, The South Bend Silver Hawks, Bruno's Pizza, Notre Dame Bookstore and South Bend service projects.

Bringing Cheer Through Song

By MAY LEE JOHNSON, South Bend Tribune

For the past few months, a group of dedicated men have been traveling, singing songs to any group in need of some cheer.

Recently, the group called the Columba Hall Singers performed for “Part of the Family,” a retreat/conference for lay Holy Cross associates and for those who support them held at Holy Cross College.

“We call ourselves the Columba Hall Singers, because many of us live in Columba Hall at Notre Dame,” said Brother Carl Sternberg, who serves as the group’s master of ceremonies.

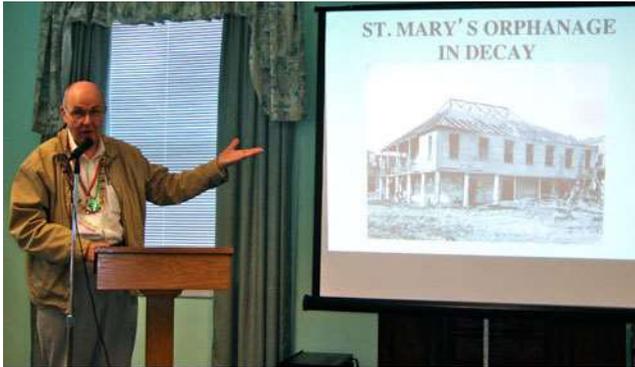

“We have been singing around Notre Dame and Saint Mary’s, but we are just beginning. Today’s concert is called, ‘Season of Love’ and this allows us to sing some really great tunes. Our group is all about getting out in the community and doing something positive. You know when you’re in your later years you need to stay busy.”

“The mission of the group is to uplift the spirits of any group we sing to by choosing secular songs that have an uplifting message. We do this also by having the participants sing along on some of the songs.”

32nd Holy Cross History Conference in New Orleans a Success

Br. George Klawitter

1999. The intent of the Holy Cross History Association is to hold the annual conference in different regions to encourage people in each area to attend. Last year's conference was at the University of Portland in Oregon. Next year's will be at Saint Mary's Convent at Notre Dame.

The 32nd Annual History Conference of the Congregations of Holy Cross was held in New Orleans June 13-16. The conference included Holy Cross Priests, Brothers and the three Congregations of Holy Cross Sisters.

The Conference was at the Cenacle Retreat Center Metairie, LA. This was the third time that the Conference met in New Orleans, the last visit was in

Br. John Doran

The Annual History Conference began in 1982. The aim is to present research papers (a total of 307 thus far) related to Holy Cross history and greet/renew friends among the family of Holy Cross, visit Holy Cross institutions and interesting sites, and share in the liturgy and prayers with Holy Cross family members.

There were 44 people who attended this year including **Sisters** (14 Marianites of Holy Cross, 3 Sisters of the Holy Cross, 3 Sisters of Holy Cross, one Sister of

Mercy), **Priests** (7 Holy Cross), **Brothers** (5 from the Moreau Province, 5 from the Midwest Province) and lay people (3 women and 3 men).

Br. Don Bufour, Fr. John Young, Fr. Chris Kuhn, Br. Joe Fox

The Conference, led by president, **Sister Judy Gomila, MSC**, opened on Thursday evening June 13 with prayer and music followed by a presentation by **Sister Clarita Bourque, MSC** on effects that Hurricane Katrina had on the property and ministries of the Marianites in Louisiana. After a discussion of the paper, the attendees retired to the evening

soiree where there were plenty of refreshments to encourage further conversation.

A list of papers presented and sites visited during the conference are listed at: <http://www.brothersofholycross.com/MIDMID/MidMid15May2013.pdf>

The annual Business Meeting was held. **Father Jim Connelly**, one of the founders of the Association, who has attended all 32 Conferences. He remarked that he had never seen a better organized conference and the Marianite team under the leadership of Sister Judy Gomila deserved grateful thanks for their generous hospitality. The new President of the Association is **Mr. Jerome Ziliak**. **Brother Joseph Fox** accepted the role as the Vice President.

Next year's conference will be held at Saint Mary's Convent at Notre Dame. It will be a little earlier in the 2014 calendar year, May 29 - June 1. It is hoped that more people, especially younger Holy Cross members will attend and join the Association.

Presently there are 147 active members and 23 sustaining members in the Association. The annual membership fee is only \$5 and entitles a person to receive email announcements, two newsletters, and access to previous research presentations. For information in joining the Association, just send an e-mail to archives@brothersofholycross.com.

Prayers Requested

As some of you may know, for the past few months I have been experiencing the same symptoms I had prior to having my heart valve repaired a year ago last February at Mayo Clinic, Rochester, MN.

On Monday (July 1) I visited my heart doctor, Dr. Vincent Bufalino in Naperville, IL. I also talked to Mayo Clinic in Rochester, MN. It was decided by both that I should go through another procedure at Mayo Clinic to close the hole in the leaking valve. In the past three years they have just had a couple cases where the man-made skin plug was rejected by the person's body. Mayo now has a fix for that complication. I will drive up to Mayo on August 11 with Br. Thomas Cunningham, who accompanied me the first time, to have tests and consultation on Monday the 12th and if all is a GO, I will have the procedure to repair the hole in the valve on Tuesday, August 13. With a day or two recovery period, I should be back by in South Bend by the end of the week. As with the first try, I shouldn't have to have any additional rehabilitation.

Please remember my health intention in your prayers to Saint Brother Andre and Blessed Basil Moreau. Thank You.
