## Brothers Celebrated Their Patronal Feast Day, the Solemnity of St. Joseph on March 19

The Brothers of Holy Cross from the Midwest and Moreau Provinces celebrated their Patronal Feast Day on Wednesday afternoon, March 19, the Solemnity of St. Joseph Spouse of the Blessed Virgin Mary at the Basilica of the Sacred Heart, University of Notre Dame, Notre Dame, Indiana.

**Rev. Peter Rocca, C.S.C.**, rector of the basilica was the principal celebrant and homilist for the Mass. The University of Notre Dame Liturgical Choir provided the music for the liturgy. The theme of Father Rocca's homily was how the Brothers of Holy Cross had St. Joseph as their patron.

**Brothers Raymond Papenfuss, C.S.C., John Paige, C.S.C.** and **Joseph Fox, C.S.C.** were the readers for the Mass. The offertory gifts were brought to the altar by **Brother John Doran, C.S.C., James Reddy, C.S.C.** and **John Schuszler, C.S.C.**, all from Columba Hall.

**Rev. Peter A. Jaret, C.S.C.**, Superior/Rector of Moreau Seminary hosted a dinner following the Mass in honor the Brothers of Holy Cross.

The gathering was another way the Congregation of Holy Cross celebrates its roots and bond between priests and brothers of the Congregation.

## Groundbreaking Held for Maynard Center for Spiritual Formation at Archbishop Hoban High School in Akron

Ground was broken for the Maynard Family Center for Spiritual Formation on Monday, March 24. A new chapel will be the signature piece of the center. Construction of the complex is scheduled to be completed by early fall. The student body was able to watch the ceremony in real time from classrooms on their iPads and screens.

Hoban's president, Dr. Todd R. Sweda, welcomed those attending and acted as master of ceremonies for the proceedings. He introduced the local and state political dignitaries who attended. Offering remarks were Bill Scala '71, chairman of the board of directors; Phil Maynard '60, David Wartko '75; and Michael Del Medico '73, Executive Director of Advancement. Taking part in the prayers and blessings were Father Paul Rosing and Father Mike Ausperk, members of the board; Brother Chester Freel, Provincial of the Brothers of Holy Cross Midwest Province; Brother Bob Livernois, associate principal; and student council officers Jonathan Sapp, Leah Sadinsky and Austin Griffith. Joining in the ceremonial groundbreaking were Dr. Mary Anne Beiting, principal; and Patty Wartko.

The center complex is comprised of a new chapel, offices and an area for campus ministry activities. The second component of the campaign will include \$2.5 million for a health and fitness center. This project will include a specifically designed strength and cardiovascular training area as well as a new wrestling room, rehabilitation area and renovation of Hoban's existing locker rooms. The third component of the campaign is \$1 million to grow the Hoban Endowment Fund for scholarship and financial aid funding.

Dr. Sweda thinks capital fundraising campaigns are about vision.

"They are about the ability to imagine a future in which dreams become realities, needs are met, and our Holy Cross mission shines even brighter within the minds and hearts of the young people entrusted to us," Sweda said. "Blessed Basil Moreau, founder of the Congregation of Holy Cross, understood well the importance of vision in providing the capacity to fulfill that mission: 'With the eyes of faith, consider the greatness of your mission and the wonderful amount of good which you can accomplish.'"

"I wish to extend my heartfelt gratitude to the Board of Directors and particularly to the Campaign Leadership Team of Richard Fedorovich '70, Philip Maynard '60,

William Scala '71 and David Showers '64. Their combined wisdom, energy and love of Hoban and the Holy Cross mission have already moved us to a position of strength within this campaign," Sweda said.

## St. Edward, Lakewood, Wins Second State Basketball Title

By Norm Weber

nweber@sehs.net

COLUMBUS -- A resilient St. Edward basketball team overcame a pesky Upper Arlington team that led most of the game to come from behind and win the state big-school championship, 62-58, in front of 14,234 fans in Value City Arena.

It marks the 54<sup>th</sup> time a St. Edward student-athletic team has won a state championship since 1978.

The game was tied eight times and the lead changed hands seven times. The Eagles (26-2) never led by more than two points during regulation time in snapping a 26-game winning streak of Upper Arlington, which was in the state championship game for the first time since World War II.

It looked like curtains for the Eagles, who were down by three points with fewer than seven seconds to play in the fourth quarter. However, the Eagles had the ball.

Like Dylan going electric, an unlikely three-point shooter took the shot at the buzzer in Marsalis Hamilton, who was 2-of-9 from behind the arc on the season coming into the game.

Derek Funderburk was able to get the ball to Hamilton, who swished the 25-foot shot at the buzzer, sending the game into overtime with the score 52-52.

The top three-point shooters for the Eagles this season have been Tony Vuyancih, Kipper Nichols and Malcolm Walters.

“The play was designed for Tony and Kipper to get the first two looks,” Hamilton said. “Tony wasn’t open, Kipper wasn’t open and Derek looked up at me and just gave it to me. I appreciated that. I took a little dribble, let it go and prayed to God that it would go in.”

Vuyancih wound up with a three of his own in the contest and punctuated his career with the biggest win of all.

“The first time I ever came to a state basketball tournament was when I was a kid and came to watch St. Ed’s,” said Vuyancih. “Growing up, all I ever wanted was to win a state championship for St. Edward, which is a great community. I love them so much.

“We trusted Marsalis to shoot the ball. The ball was designed to get it to Kipper or me and if not he would get it to Derek, who would get it back to him, which is what happened. I saw him hit that shot over and over again in practice. I knew it would be good.”

Arlington (27-2) led by six, 48-42, with 3:22 to go in regulation and decided to play keep-away with the ball, but the Eagles kept their composure.

“When we were down by six, I told my team we were going to win this game,” Hamilton said. “We worked too hard to just fall right now. I felt comfortable with taking the shot. Coach Flan gets on me sometimes for taking threes, but sometimes I have to do it. The key is to just take it with confidence.”

In overtime, it was the Eagles’ turn to hold the ball. After Funderburk controlled the tip the Eagles shaved more than two minutes off the clock before Walters went in with a layup, made it and was fouled. He missed the free throw, but the Eagles had the momentum with 1:51 to go.

Arlington was able to tied it at 54-53, but then the Eagles created their first four-point lead, 58-54, with 42 seconds left after Funderburk hit a pair of free throws and Vuayncih broke loss for a layup with an assist from Walters.

Incidentally, Funderburk was 5-of-5 at the line and scored all nine of the bench points for the Eagles, which was also like Dylan going electric for a team that has been very reliant on its bench all season.

At one point, Nichols had scored 24 of the Eagles' 31 most recent points to keep Arlington's lead under five points.

The Golden Bears did get to within two points with eight seconds left in overtime, but two free throws by Nichols, who had a game-high 26 points, sealed it. The Bears shut out Nichols for the final 7:05 of the fourth quarter and the first 3:54 of overtime.

The start of the game was ugly for the Eagles. Upper Arlington, which had the home crowd on its side, rolled out to a 9-0 lead at the start.

The Eagles did not score their first points until 3:37 was left in the first quarter. They were able to pull to within one, 11-10, at the end of the first quarter when Nichols hit a shot at the buzzer.

St. Ed's led only one time, 16-14, in the first half when Nichols followed up his own shot with a tip in.

After trailing 22-20 at the half, Vuyancih and Nichols canned triples early in the third to make it, 26-26.

The Eagles' only lead in the third quarter came with 2:18 to go when Nichols hit a three, making it 35-34.

Arlington led, 40-37, at the end of the third quarter.

A Hamilton layup gave the Eagles a 41-40 lead with 6:18 to go in the fourth.

For Coach Eric Flannery, this is the second team he has been the head coach of to win a state championship. The last one was in 1998, when all the student-athletes on this team were either infants or not yet born.

"We thought that if this game would be in the 80s we would win this game or if it was in the 30s or 40s we would win this game," Coach Flannery said. "My guys did not quit. They believed in one another and it paid off tonight. I can't appreciate more what it is to win this thing when considering how hard it is to get down here and then win two games."

Coach Flannery has been a coach, assistant or head, of eight teams from St. Ed's to make the Final Four.

“We needed some luck, some big shots and big plays,” Coach Flannery said. “I was scared to death because Upper Arlington does so many good things. I felt good about the way my kids played and defended. I didn’t keep their composure; they did it themselves. I just told them to do it one possession at a time. We just needed to get stops and score points.

“Even though the shot was not designed for Marsalis, a lot of kids would have forced up a shot, but not these guys. They did what they had to do to get it to someone who was open.”

The 54 state championships won by St. Edward teams are as follows: basketball (2), wrestling (29), hockey (11), indoor track (3), baseball (3), outdoor track (2), rugby (2), football (1) and volleyball (1).
