People of the Week

ALL WHO COLLABORATED ON THE MARTIN LUTHER KING, JR. CELEBRATION

In celebration of the life and legacy of the Rev. Dr. Martin Luther King, Jr., the entire St. Edward Community joined for its annual prayer service on Thursday. The service included reflections on the life of Dr. King, readings from scripture and the Holy Cross Constitutions, vocal accompaniment from the St. Edward Men's Choir, and the debut of the St. Edward Gospel Choir, led by Teon Smith'19 (pictured above).

The service also included a [video presentation](#) created by Kevin Ng '18 and Mr. James Knight, Director of Diversity & Inclusion, challenging every member of the St. Edward Community to be an ally of diversity. Following the service, students signed a pledge to "together be allies of diversity" in alignment with our school year theme: "Together, We Are St. Ed's."

Special thanks to the many who were involved in creating such a powerful service, including our Student Ministers, Campus Ministry Office, Diversity Club, Men's Choir and Gospel Choir. For your contribution to our celebration of togetherness, you are our People of the Week.

THE WOW FACTOR!

THE ST. KIZITO FOUNDATION HONORED WITH ST. EDWARD'S MARTIN LUTHER KING, JR. AWARD

On Thursday, St. Edward High School presented the St. Kizito Foundation with the 2017 Martin Luther King Jr. Award. Fr. Don Dunson, founder of the St. Kizito Foundation, accepted the award on behalf of the organization, accompanied by a number of board members and friends of the foundation.

In 2002, Fr. Don established the St. Kizito Fund after he visited Gulu, Uganda, for the first time. During this visit, Fr. Don observed and learned firsthand of the inhuman conditions in which hundreds of thousands of adults and children live. The scholarship fund expanded into a foundation with a mission to restore hope, dignity, solidarity, and education to a country devastated by prolonged civil strife, internal terrorism, and extreme poverty.

The Foundation is named in honor of St. Kizito, a 14-year-old boy from Uganda who was martyred in the 1880s for his commitment to his Christian faith. St. Kizito is the patron saint of children of primary schools. Today, St. Kizito operates centers in Kampala City, Gulu and Nebbi districts. In total, the Foundation supports over 300 students in their education and life, and their primary focus is to provide the participants in the program with sufficient and appropriate education so that they may earn a living and have a successful life.

In the Holy Cross Constitutions, we find these words: "The mission is not simple, for the impoverishments we would relieve are not simple. There are networks of privilege, prejudice, and power so commonplace that often neither oppressors nor victims are aware of them..... For the kingdom to come in this world, disciples must have the competence to see and the courage to act." The actions of the St.

Kizito Foundation are a brilliant example of the competence and courage required to make that mission a reality. The work of Fr. Don and the St. Kizito Foundation to eliminate that division is truly remarkable, and we are honored to present them with this year's St. Edward High School Martin Luther King, Jr. Award.

This summer, five St. Edward juniors will travel to Uganda to film a documentary on the work of the St. Kizito Foundation.
