## The Brother Thomas M. Shaughnessy Rehab Care Center

**Brother Thomas M. Shaughnessy, C.S.C.**  
**May 4, 1936 – June 6, 2014**

Brother Tom Shaughnessy was vital to Holy Cross Village and is considered one of its founders. Prior to coming to the Village, he had an extensive career in teaching, administration, and social work. Within the Province, Brother Tom held many leadership positions including superior at Columba Hall, Dujarie House, and Schubert Villa. Involved in the committee to establish Holy Cross Village, he was the first Chairman of the Board of Holy Cross Village and held

that position for more than six years.

With perseverance, dedication, and devotion, he was instrumental in successfully advancing the campus and creating a premier senior retirement community where the Brothers of Holy Cross could live side-by-side with lay people and bring their ministries of education and hospitality to many. Asked to describe Brother Tom, long-time Board members have characterized him as direct, focused, committed, dependable, and wise. But most importantly this man, who could make things happen and always got the job done, was described as “caring.” He demonstrated that care by being a champion for many initiatives, including this new Rehab Care Center, to help enhance services to residents and grow our lovely campus.

This new Rehab Care Center at Dujarie House, completed in 2019, was made possible through the generosity of many donors. Our anonymous lead donor asked that this building, which will help so many in years to come, be named for our former colleague, friend, and neighbor, Brother Tom.

## Reflection

SO FAITH, HOPE, LOVE Remain,  
These three;

But the Greatest  
of These is

(1 Cor 13:13)

Love

The word "Love" is written in a dark blue, cursive font on a piece of lined paper. The letter "o" is a large loop, and the letter "v" has a heart shape drawn inside its upper curve. The word is written diagonally across the lines.
