

MISSION FROM HEAVEN

A Savior Child is born to us today.

***Let us make a place
In our hearts for him to stay.***

***He came from heaven to save
mankind.***

***And he wants
To leave not one single soul behind.***

***Let us shed our callous attitude,
Live with love
And give others proper latitude.***

***May we pray that greed and war will
cease.***

***Grant us grace
To work together and live in peace.***
