Chapter Meets in Rome

The accompanying picture shows one of the groups of the General Chapter of the Congregation of Holy Cross which had the extraordinary privilege of a private audience with His Holiness, Pope Pius the Twelfth. The Very Rev. Christopher J. O'Toole (left of the Pope) succeeds the Very Reverend Albert F. Cousineau of Canada as Superior General. Father O'Toole was born in Alpena, Michigan, and entered the Congregation of Holy Cross in 1920. Ordained in 1933, he has been Master of Novices at North Dartmouth, Massachusetts, Superior of Holy Cross Seminary, Washington D. C., and Vice Provincial of the Indiana Province of the priests of the Congregation of Holy Cross. Father received his Doctorate in Philosophy from the Catholic University of America in 1944. Quiet, intellectual, priestly and sincerely devoted to the highest ideals of the Congregation of Holy Cross as he is, the choice of Father O'Toole is a very popular one and it augurs a spiritual prosperity through devotion to the Rule for all the members, priests and Brothers.

Reverend Howard Kenna, (right of His Holiness) former Superior of Moreau Seminary and Director of Studies at the University of Notre Dame becomes an Assistant General.

Brother William Mang (right of Father Kenna), former Assistant Provincial and Supervisor of Schools for the United States Province of the Brothers of Holy Cross, was elected an Assistant General. Brother William, who holds a Doctorate in Education from the University of Chicago, has spent many years in administrative work. In 1946 he was made a member of the pioneer provincial council which set up the American province of the Brothers.

The Chapter, which meets every six years, held their deliberations in Rome this year for the second time in the history of the Congregation.

The officers of the General Council are as follows: Very Reverend Christopher J. O'Toole, Superior General; Reverend Richard Vincelette, Reverend Howard Kenna, Brother William Mang and Brother Gervais Leduc, Assistants General.

Father General introduces a group of his confreres to His Holiness, Pius Twelfth. Left to right: Brother Cosmas, Brother Gervais, Very Reverend Christopher O'Toole, His Holiness, Pius Twelfth, Father Kenna, Brother William, Father Joseph Harrington and Brother Dacien.

The Generalate of the Congregation of Holy Cross is at 4 East 80th Street, New York. Father Richard Vincelette and Brother Gervais Leduc are members from the Canadian Provinces.

Archbishop Lawrence Graner, C.S.C.

The Brothers of Holy Cross extend congratulations to their fellow member of the Congregation of Holy Cross, Archbishop Lawrence L. Graner, C.S.C., who was recently elevated to the archepiscopal dignity.

His Excellency was consecrated Bishop of Dacca (East Pakistan) at the University of Notre Dame in April, 1947.

The annual summer assignments of Brothers to the various houses reveal that ten of the Brothers' foundations have new Superiors or Directors.

A Call to Action

The word *vocation* comes originally from the Latin verb, *vocare*, which means *to call* or *to summons*. In everyday English a vocation is understood as some profession or state of life to which an individual is appropriately fitted. We say he has an aptitude or perhaps even a predilection for certain work. He seems "cut-out" to follow a particular line of endeavor.

A religious vocation is just as simple. God calls, without respect for good looks or social position or even special intelligence. Usually, He calls very quietly and it may be someone whom we would least expect. St. Paul was on his way to do violence to Christians when he heard the irresistible voice of God. Hundreds of famous saints have "felt" the urge and taken up the life of religious. By far the greater percentage of them heard no voice or saw no beckoning vision. In their humility, they simply followed an unmistakable feeling that their vocation was to the religious life.

But so many young people ask: "How can I know?" "How can I be sure?" The best answer is this: If you have the desire, normal health, normal intelligence and are accepted by a religious institute then it is possible that you have a vocation. The next step is to try it. Enter the life, live it to the hilt, and you will soon know whether you belong or not.

Although the gift of a religious vocation is certainly a mark of very special favor toward an individual, God does not compel its acceptance. Each one is free to correspond with the grace or not, but only the faint-hearted will turn away.

The Brothers of Holy Cross were founded as the Brothers of St. Joseph in France in 1820 by the Reverend James Francis Dujarie.

Council Reorganization

The work accomplished by the Chapter of the Congregation of Holy Cross at Rome last summer of most immediate interest to the Brothers was the election of Brother Ephrem O'Dwyer to his second term as Provincial Superior and the appointment of the two new Provincial Councillors, Brother John Baptist Titzer and Brother Bonaventure Foley. In addition, the former is Assistant Provincial, Steward and Director of Studies, and the latter is Archivist, Secretary to the Council and Director of Dujarie Hall.

Brother John Baptist was born in Evansville, Indiana, in 1907. Later, as a member of the first graduating class of Reitz Memorial High School, he was winner of the gold medal for public

speaking, president of his class and valedictorian. The principal of the school at the time was Brother Ephrem who is now Brother John Baptist's immediate superior.

Upon finishing high school Brother determined to follow his older brother in the religious life. Accordingly, in September of 1925, he entered the Juniorate at Watertown as his brother Francis, now Brother Stephen, had done in 1921.

Up to 1943, the new Assistant Provincial was occupied principally in getting a degree from the University of Notre Dame, *cum laude*, and fulfilling teaching assignments at Holy Cross High School, New Orleans, Louisiana, and at Coyle Memorial High School, Taunton, Massachusetts. A part of the time was spent as Director of Vocations

at Watertown, Wisconsin. Then came the important assignment as Superior and Principal at Vincentian Institute, Albany, New York.

In 1943 Brother John Baptist was given the opportunity to pursue graduate study at Fordham University, New York, and that school conferred a Doctorate in Education upon him, *cum laude*, in 1948.

One of the personally most satisfying jobs was his appointment in 1946 to be the Superior and Principal at Notre Dame High School, West Haven, Connecticut. This actually meant founding the school and seeing to all the details of the erection of the beautiful new building and the conversion of the old one to an attractive residence. It meant literally the introducing of the work of the Brothers of Holy Cross to the people of the Nutmeg State. With the assistance of a hard working faculty, all will agree that this was ably done. After four years in Connecticut Brother John was chosen to return to the Provincial House as Assistant Provincial.

The best wishes and prayers of the Brothers and his many friends among the students and their parents are with the new Assistant. He is everywhere admired for his enthusiasm and friendliness and his ability to get work done. He is especially esteemed for those mature traits of mind which have brought him up the ladder so quickly.

(The next issue of the *Brothers of Holy Cross* will introduce Brother Bonaventure.)
