Brothers

Newsletter of the Midwest Province of the Brothers of Holy Cross

It Couldn't Be Done Without You

We thank you, our donors who have made a difference in the life of others and the Brothers.

Jerold Panas, a leading voice in the world of philanthropy says, "I can say without question the first and foremost reason people give is that your organization changes lives and saves lives."

In educating the minds and hearts we Brothers try to save lives and change lives. Our mission is to educate and sensitize persons to the need for justice and peace in the world. It is the Lord's work and the Lord's

strength that propels us on in good times and bad times.

A person who has given for several years is quoted in this newsletter about what encourages him to give to the Brothers of Holy Cross. Our ministry, whether external or internal, couldn't be done without you, your interest, prayers, concern and gifts.

This donor list includes all who gave between July 1, 2014 and June 30, 2015.

During the past fiscal year more than 867 individuals made donations totaling \$313,882.

Let me also mention and give a note of thanks for the work of Brother Charles McBride who died on July 14, 2015. Brother Charles did much in the layout for the BROTHERS NEWSLETTER for many years, a number of years when he served as Director of Communications, 2005–2015.

Please note the number of members of the Anchors of Hope Society, those who have made a planned gift to the Brothers, has increased. Contact me for information about becoming a member of the Anchors of Hope or any omissions on our entire donors list.

For your ongoing and steadfast support we are grateful.

**Brother Chester Freal, C.S.C.,
Provincial Superior**

Dear Friend of Holy Cross,

This edition of BROTHERS is dedicated to thanking you, our friends and benefactors for your kindness and generosity. On the front page, Brother Roy speaks to our efforts through education to save and change lives. Please know that these labors could not be done without your support and encouragement.

As we approach autumn and correspondingly the hurricane season in the Caribbean, I am reminded of what is known as the *Butterfly Effect*. It states: “a butterfly flapping its wings in one part of the world causes a hurricane in another”. The butterfly effect has become a metaphor for the existence of seemingly insignificant moments that alter history and shape destinies. Typically unrecognized at first, the butterfly effect once recognized describes the connections between two or more seemingly unconnected entities.

While I am not ready to talk hurricanes to any extent in this column, the butterfly effect concept is a wonderful reminder of the impact that small, simple acts can have on others. It is through the contributions of those listed in this issue of BROTHERS which allow us to continue to live out the mission of Jesus. It is because of your connection with us and your belief in our mission, that together we are able to change and save lives.

This edition of BROTHERS is a public expression of our gratitude to each of you who have responded so generously and faithfully to our ministries, health care needs, and offering young men the opportunity to join with us to continue the mission of Jesus.

Please know that your kindness and support are greatly appreciated. Thank you!

St. Andre Bessette, Pray for us.

In Holy Cross,

Brother Chester Freal, C. S. C.

Many Brothers Had a Great Influence On Me To This Day.

My first knowledge of the Brothers of Holy Cross was in grade school. Knowing I would go to Reitz Memorial High School, it wouldn't hurt to know something about them. My first hand experience was when I became a freshman.

The Brothers always struck me as well educated, caring men, who enjoyed seeing students grow and learn. I have nothing but the fondest memories of my high school years.

In 1960 I graduated and made the decision to explore the life as a Brother. Again I enjoyed the opportunity to grow as a person, and experience the religious life up close. I went to the novitiate for a year, then to St. Edward's University, Austin, Texas.

My favorite experience was at Saint Charles Boys Home in Milwaukee, Wisconsin, my first assignment.

After four years as a Brother I decided that the religious life wasn't a life I wanted to live. All in all it was an experience that taught me many things. I returned to St. Ed's until I graduated. The experience was wonderful, and very fulfilling. I still have the fondest memories of my four years as a brother.

Many Brothers had a great influence on me to this day. I am happy to contribute to the wonderful causes that Holy Cross does. Most people only know a small percentage of the good deeds they accomplish.

Please keep up the good works.

Respectfully,
Randy Miller
