BROTHERS of HOLY CROSS - NOTRE DAME, INDIANA

Vol. 2, No. 11

March 10, 1969

Brother James Moroney has been named Director of Studies for the Midwest Province, succeeding Brother John Driscoll. With the development of the junior college, the demands on Brother John as president have become extremely heavy. This necessitated relieving him of some of the burdens he has been carrying this year. Brother James retains the other duties assigned to him in September.

Brother John Benesh has been named principal of Archbishop Hoban High School, succeeding Brother William Fitch who resigned recently, and Brother Carl Schonk has been named to a similar position at Bishop David High School, succeeding Brother Richard Reaume. Both will assume full-time responsibility at the end of the present school year.

Brother Bernardine Mosier recently received permission to drop the last three letters of his name. He is now known as Brother BERNARD Mosier.

Brother Reginald is looking for copies of the COYLE REVIEW for 1935, 1936, and 1939. If any houses have copies of these, please send them to him for the Midwest Archives.

Brother Daniel Kane recently accepted an invitation from Mr. Reginald Bain, Director of the Notre Dame-St. Mary's production of Camelot, to be choral director for the production. First performance is scheduled for May 1.

Several Brothers have written thus far requesting to be included in the WORKSHOPS ON CONTEMPORARY RELIGIOUS LIFE scheduled for the summer. If others are interested, an early indication of this interest would be helpful in planning the program and arranging to take care of as many persons as possible. Just drop a note to Brother Rex indicating the interest.

Brother Peter Baltrinic recently signed dispensation papers.
