Saint Edward High School

Hello! I just wanted to report on the activities we did at St. Edward High School in Lakewood, Ohio, regarding the 10th anniversary of the beatification of Fr. Moreau.

We celebrated an all-school Mass for Our Lady of Sorrows, the patroness of the Congregation. A student gave a communion reflection focusing on the beatification of Fr. Moreau and tying it into our school theme for the year, "With All Your Heart". The text of this can be found here:

We also had a “find moreau” scavenger hunt throughout the day, where we tweeted a fun fact about Fr. Moreau along with a picture of a Fr. Moreau prayer card somewhere in the building. Students found the cards and brought them to the Campus Ministry office to win a prize. The same fun fact was also written on the back of the prayer card.

Thanks!

Peace,

Cari White

Archbishop Hoban High School

Photos of activities that Archbishop Hoban High School has done this fall regarding the 10th anniversary of Basil Moreau's beatification, or of Holy Cross in general.

Hoban plans to have an all-school Mass to observe the memorial of Blessed Basil on Jan. 19, 2018.

Hoban had an all-school Mass on Sept. 15, 2017, to observe the Solemnity of Our Lady of Sorrows. Photos of that Mass are posted on the Hoban.org website.

In August, Hoban students made a service and immersion-experience trip to Holy Cross in Ghana. Pictures are posted on the Hoban.org website.

Gilmour Academy

Here at Gilmour Academy, we took a school day "off" Friday, September 15, 2017, to observe "Founders' Day" organized by Mrs. Whitney Daly, chairperson of our campus ministry team. The day involved many activities aimed at "connecting" all of our students, from toddlers near two years of age through 12th graders, to the "Holy Cross Family," and to celebrate the 50th ordination anniversary of school chaplain and 1958 alumnus, Fr. John Blazek, C.S.C. Allusion was also made to the 10th anniversary of the beatification of Fr. Basil Moreau, C.S.C.

Activities on Gilmour's Founders' Day included story-telling about Gilmour's founding and Holy Cross origins, the creation of concrete plaques with the names of 144 Holy Cross professed religious who have served at Gilmour over its seventy-one years, interactive community-building games bringing older and younger students together, and an outdoor mass in Weber Stadium on the Gilmour campus for the entire school community. The plaques will eventually be arranged into an outdoor labyrinth for reflective prayer.

Here are some attached photos and a link to a folder of images, all taken that day by Mr. Neal Busch of our technology department.

Holy Trinity's 107th Birthday

On Friday, September 15, ten Brothers traveled to Holy Trinity High School to help Holy Trinity faculty and students celebrate HT Day. The date was remarkable as both the celebration of Holy Trinity's 107th Birthday and the feast of Mary, Our Lady of Sorrows, Patroness of the Congregation of Holy Cross. We also celebrated the 10th Anniversary of the Beatification of Blessed Basil Moreau, our founder.

The Brothers arrived on campus in time to get ready for an all-school Mass celebrated in the school auditorium. After Mass, all the Brothers were introduced to the school, while a slide show of pictures of Brothers found in Holy Trinity yearbooks was displayed in the background. Brother Ken Haders, who is a past principal at Holy Trinity, give a brief bio of each Brother, several of whom had spent time at the school.

Following the Mass, there was a brief reception for the Brothers hosted by the school administrators. Tim Bopp and Mary Anne Lynch, Holy Trinity's president and principal, gave an update on the school's progress and programs, highlighting the recent increase in enrollment and improvements to the building. Over the past few years Holy Trinity has invested \$3.65 million dollars in improvements to the building. Major improvements include all new windows, new lockers, dropped ceilings, remodeled classrooms, remodeled gym and locker rooms, new weight room, new

science labs, new computer labs, and most recently, all new restrooms. This was the first major upgrade to the school's restrooms since the building opened in the 1930's.

After the reception, the Brothers individually toured the school and visited several classes to share their experiences as Brothers and answer questions from students. The students were wonderful hosts and were very welcoming – asking good questions and listening attentively.

The final activity was lunch with the students. No Brother was left alone at a table as students either joined them or invited them to come to their table where conversations were lively. Several students invited the Brothers to join them in special pictures to commemorate the event. Multiple birthday cakes were brought in and shared with all.
