Holy Cross College Eliminates and Creates Wetlands

Last August Holy Cross College installed extensive drainage to eliminate two acres of its prime land which had become a wetland. Pictured is **Brother Richard Gilman** and the Holy Cross College land before the drainage last August. This past week Brother Richard and **Brother Lawrence Unfried** visited the land in Liberty Township which Holy Cross College is required to turn into a wetland. Pictured is the environmental firm planting trees on the five acres of land. It will take about five years before all of the species are established.

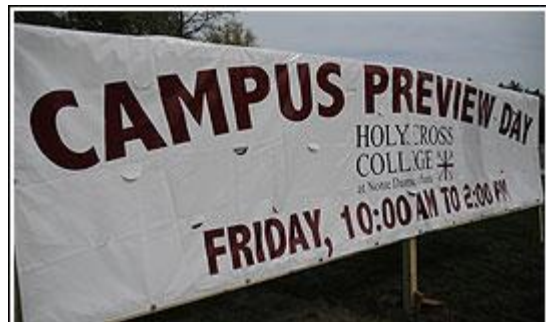

Holy Cross College Holds Spring Preview Day

Last Friday Holy Cross College held its Spring Preview Day. Dozens of high school students and college transfer students converged on campus from across town and across the country. This was a time to see what a four-year college experience would be like at Holy Cross College. Academic representatives, coaches, and student leaders made

themselves available to meet students and answer questions. The Spring Preview Day was held the weekend of the Notre Dame Blue-Gold football scrimmage.

Holy Cross College reminds high school students who can't make it to one of the special Preview Days, Holy Cross can always schedule a private tour for you and your family if you let them know when you'll be coming. Call your admissions counselor or [Sherry Raven](#) at 574-239-8400 to schedule your visit.

Holy Cross Associates in Ghana

Letter to Joseph Connell, HCA Director

I send you warm fraternal greetings from Ghana. I am happy to inform you that the Associates in Accra Chapter yesterday met at the Holy Spirit Cathedral premises to discuss a few important issues that will help move the group forward. Br. Paul Bukari CSC and I attended the meeting.

One of the exciting news that came up at the meeting that I would like to share with you is that, as a group they would like to be involved in the Holy Cross Family Rosary Ministries activities. They will help coordinate the programs in Accra and invite the Brothers to come and give talks, retreat, seminar etc in parishes and possibly in schools.

I am sending you the names and email addresses of the executives for correspondence.
