Flu Shots Draw Residents to Andre Place

Every Fall without fail Holy Cross Village makes available flu shots to residents as well as to Brothers living at Columba Hall and in the South Bend Area. Tuesday, September 28 was the “shot” day this year. In all, nearly 100 residents of Holy Cross Village along with the Brothers lined up for their shots. Let’s just hope they work this Fall and Winter.

Riverside Place Renovations Complete

Renovations in Holy Cross Village were made this past summer after thirteen Brothers moved from Holy Cross Village at Riverside Place to apartments off campus and two to Columba Hall. The new look includes paint and wall coverings for all the halls, new carpeting, a makeover of the hospitality room on the third floor, a coffee bar, a waterfall in the lobby, and an updated mailbox area along with new furnishings throughout. The vacated eleven rooms have been painted with new appliances and carpeting installed. The reason for the makeover was to attract women with the “feminine” decor and updated appliances. To date there have been two down payments made for the eleven vacant updated apartments. There are currently seven Brothers living in two-bedroom apartments and five Brothers living in one-bedroom apartments at Riverside Place.
