Organ Postlude

E-mail to **Br. Roy Smith** from **Br. Daniel Kane**.

Hi!

Thought you'd get a kick out of these taken by Jim McLaughlin (from Chicago) during my organ postlude at the Jubilee Mass. I had invited my 8 (great) nieces & nephews to come up to see their uncle playing the mighty Holtkamp (Cleveland-made) organ console - to be removed on Dec 28 and replaced with a new pipe organ!

RE: ISDH 2015 Annual Survey

Holy Cross Village has successfully completed the 2015 State of Indiana Annual Survey.

Once again, we were found to be deficiency free.

Congratulations to our awesome health care team and support staff for the hard work.

Deficiency free means that we evidenced compliance with all state and federal rules of participation as a state licensed and federally certified participant in the Medicare and Medicaid Program.

Additionally, the surveyors complimented our staff on the culture of hospitality evidenced by their observations of interaction between residents and staff and staff to staff interaction.

Thanks again for living the Mission.

Violinist

On June 20, 2015, Brother Lewis Brazil presented one of his music shows at Andre Place (Notre Dame, Indiana). The featured violinist performed at a number of locations around the area. The following YOU Tube link will let you view the artist and hear her music from a performance at Our Lady of Loretto Church, St. Mary's College.

Coloma – July 4th

Despite Lake Michigan having a 62 degree temperature, one or two brothers dove in completely under water. Others simply dared to get their ankles wet.

Joseph Fox and Robert Dierker had readied the cottage, staying overnight to set up and prepare a July 4th luncheon. Again appeared the cupcakes and crunch dessert with ice cream, created by two of our famous bakers, as you can guess.

The 20 or so of us present enjoyed a beautiful day gathered together at the lake.

Reflection

"The key to success is to focus our conscious mind on things we desire not things we fear."
